MESSAGES

2024-2025

MESSAGE FROM THE FOUNDER DIRECTOR

As we close another successful academic year at Edubridge, I want to take this opportunity to reflect on our journey and express heartfelt gratitude to everyone who makes our school a vibrant and nurturing community.

At EIS, we believe in a holistic approach to education, one that goes beyond textbooks and testing. We strive to develop well-rounded individuals prepared not only for academic success but also for life's many challenges. By prioritising social, emotional, and physical well-being alongside rigorous academics, we aim to foster critical thinkers, compassionate leaders, and lifelong learners.

This year has been filled with moments that highlight our commitment to this vision. It is also a milestone, marking our tenth DP graduation. From innovative projects and extracurricular activities to community service, our students have had many opportunities to explore their interests and grow in confidence and skill—bringing pride to all of us at EIS.

I want to thank our exceptional teaching staff, whose passion and commitment shape the heart of our school. Your creativity, care, and dedication inspire and challenge our students every day, creating a space where curiosity and learning thrive.

To our wonderful parent community—thank you for your ongoing support, whether by attending school events, engaging in conversations, or volunteering your time. The trust you place in us motivates us to do our very best every day. A special thanks as well to our support staff, whose behind-the-scenes efforts in administration, maintenance, and other essential areas are vital to the smooth running of our school.

As we look ahead, let's continue building on our shared commitment to holistic education and to nurturing every child's potential. Thank you all for your dedication, care, and support. Wishing you a restful and joyful break—we look forward to seeing you next year.

Warm regards,
Ms. Viral Parikh

MESSAGE FROM THE CO-FOUNDER & DIRECTOR

As we close another academic year, we reflect with pride on our shared journey of learning, growth, and connection. This year is especially meaningful as we celebrate a major milestone—the graduation of our first cohort of students. Among them are nine members of the Class of 2025 who began their journey with us in the PYP. Watching them prepare to step confidently into their future is a proud moment for our entire community.

We are also excited to share that **EIS has now been accredited by the Middle States Association (MSA)**. This enables us to offer the U.S. High School Diploma alongside the IB Diploma, broadening pathways for our students across the globe.

As we bid farewell to colleagues moving on, we offer heartfelt thanks to all our educators—especially those who have served for five or more years: Ms. Jigna Patani, Ms. Vandana Agrawal, and Ms. Vidhi Shah—for their lasting contributions.

With gratitude for the past and hope for the future, we thank our community for another memorable year at EIS.

Warm regards,
Mr. Raman Siingh.

MESSAGE FROM THE HEAD OF SCHOOL

Dear Edubridge Community,
As we turn the pages of another remarkable year, I am filled with immense pride and gratitude for all that we have accomplished together. This academic year has been one of growth, excitement, and many memorable firsts.

We launched our very first **Telegames**, where our MYP and DP students showcased their enthusiasm and team spirit in house-based competitions—setting the stage for a new tradition of friendly rivalry. Our inaugural **Science Competition** brought out an extraordinary level of creativity and innovation, with students from across the school presenting ideas and projects that truly inspired. The energy continued with our first-ever **Dance Competition**, which revealed an abundance of talent and passion among our students. Adding to this vibrant spirit, our first **Art Competition** displayed a stunning range of imagination and skill, turning the school into a gallery of student expression.

Our sports teams also made us proud this year. Both the basketball and football teams have climbed the ranks, competing with determination and bringing home a number of well-deserved trophies. These accomplishments are a testament to the dedication of our students, coaches, and the entire school community.

As we reflect on this successful year, we remain committed to expanding our horizons and embracing new ventures that help us grow—together—as a learning community. Thank you to our students, parents, teachers, and staff for your unwavering support and enthusiasm. I wish you all a joyful and restful summer break, and I look forward to another exciting year ahead.

Warm regards,
Dr. Arnaz Ranji Charna

MESSAGE FROM THE EYP COORDINATOR

As we wrap up this joyful and enriching year, we reflect on the incredible journey the Early Years children have taken—one made possible through collaboration between students, teachers, and families.

From heartwarming pet visits in Nursery, where children interacted with dogs, birds, turtles, and rabbits, to our very first student-led canteen day.

This year was full of meaningful action—even from the littlest hands! Nursery students raised funds for cat food, and Sr Kg's visit to a local balwadi helped them build empathy and real-world connections. Events like Holi, Sports Day, Children's Day, and Literacy Week were celebrated with enthusiasm and color.

Our Jr Kg unit on Celebrations Around the World helped students appreciate diversity through stories, food, and traditions. In Sr Kg, students explored the solar system with curiosity and awe, showcasing impressive knowledge from meteoroids to galaxies. Guest speakers this year even included an aerospace engineer!

Each of these moments is a reminder that children don't need to be shaped into something—they simply need the space, guidance, and love to unfold into who they already are.

"Children are not things to be molded, but people to be unfolded." – Jess Lair

Warm Regards,
Ms. Uzma Malkani

MESSAGE FROM THE PYP COORDINATOR

As the PYP Coordinator, I am filled with pride as I reflect on a year of collaboration, innovation, and growth. Our passionate team of educators worked tirelessly to support student success, meeting weekly to plan, reflect, and share best practices. Through meaningful dialogue and peer learning, we strengthened our teaching and created engaging, inquiry-driven experiences for students.

This year was marked by many proud moments—STUCO elections, unit celebrations, adventure camps, and initiatives like “Teach Me Tuesday” and the sustainability bench project. The PYP Exhibition was a shining example of student agency, voice, and action. Festivals, field trips, and guest speaker sessions added depth and joy to our learning journey.

We partnered with parents, celebrated learning together, and supported student well-being through consistent communication and care. As we turn the page, I am grateful for each teacher, student, and parent who made this year so special. Here's to always growing stronger together!

Warm regards,
Ms. Chantelle Ferns.

MESSAGE FROM THE MYP COORDINATOR

Reflecting on the year gone by, I feel a deep sense of pride as our school mission comes to life through the varied successes of our students.

This year, our MYP students embraced various opportunities in sports, creative writing, arts, science, car-making, design and film-making. Through these platforms, they earned notable recognition for the school. We are grateful to our parent community for enriching the learning experience by participating as speakers and judges in school events.

We are also pleased to see our students engage with the reintroduced IAYP programme, which was integrated into the annual school trip to the National Institute of Mountaineering. Students showed resilience as they stepped out of their comfort zone and took on new challenges in an unfamiliar environment.

Looking ahead, we are excited to prepare our MYP students for their first international competition, the Model United Nations in Switzerland. We look forward to the next academic year with new goals and many more opportunities to celebrate our students.

Warm regards,
Ms Mansi Gandhi

MESSAGE FROM THE DP COORDINATOR

This academic year has been an enriching one for the DP at EIS. From dynamic CAS initiatives and IAYP trips, to remarkable creativity demonstrated in TOK exhibitions and thought-provoking Extended Essays and Internal Assessments, our students have shown not just academic strength, but deep personal growth. What stands out most is their resilience – meeting rigorous deadlines with determination and a proactive spirit that reflects the very heart of the IB learner profile.

Our dedicated DP teachers have walked beside them every step of the way, curating thoughtful experiences, ranging from classroom learning engagements, core study skills, SEL sessions, etc. The successful Visual Arts exhibition, our students' university admission stories, and the insightful exam focus strategies all speak volumes about the comprehensive support systems in place. We carved out time to enjoy some festive celebrations like Children's Day, Christmas and Valentine's Day, creating a strong sense of belonging. The students also celebrated Spirit Week by dressing up in attire that reflected the self-driven themes like Senior Citizen Day, Twin Day, Country vs. Country Club and Adam Sandler Day. They ended the year on a humorous note - Senior Prank Day!

Hosting the DP SAIBSA on campus was a proud moment for our school, allowing us to share and learn from fellow educators while celebrating our own thriving professional community. Like every year, this one too, reaffirms our commitment to nurturing students who are balanced, reflective, and ready for the world.

Warm regards,
Ms. Tracy Waller.

ACADEMIC EVENTS

2024-2025

Literacy Week in EYP and PYP featured engaging activities, starting with Feelings Yoga to help students connect with their emotions. Authors Unplugged brought guest speakers who captivated students with stories, while Voices of Creativity saw parents leading readings and creative activities. Motion zones with art, puzzles, and games kept learners engaged. EY students also paraded as emotions on Dress-Up Day, while PYP students dressed as idioms. Cozy reading corners provided quiet book time, making it a week of learning and creativity.

Literacy Week

MYP & DP

Literacy Week in MYP and DP helped students to express themselves and explore the theme of emotions in the context of literature and film. These events included a "dress-up" day, theatrical games, poetry writing and more. Through the week, students also listened to sessions by various guest speakers, including student author Jyoti Shah, historian Pradeep Chakravarty, and poet Sampurna Chatterjee. The event finally concluded with theatrical games and a spelling bee!

EYP UNIT LEARNING CELEBRATIONS

PYP UNIT LEARNING CELEBRATIONS

हिन्दी दिवस

A group of approximately 15 students, mostly boys, are posing for a group photo in a classroom. They are arranged in three rows. The front row consists of five boys sitting on the floor, wearing blue t-shirts. The middle row has five boys standing, wearing yellow t-shirts. The back row has five boys standing, wearing blue t-shirts. In the background, a large screen displays the Indian national flag (Tiranga) with the text 'I AM BOLD' written below it. To the left of the screen, a sign on the wall reads 'WORLDWALK'. The classroom environment is visible, with shelves and posters in the background.

MEDIA LITERACY: GUEST SPEAKERS IN GRADE 5

Grade 5 students explored media literacy with guest experts Mrs. Kejal Teckchandani (advertising), Mr. Shravan Bane (radio jockey), and Ms. Simran Sharma (social media). They learned about creating ads, engaging radio listeners, and the impact of social media. These sessions empowered students to be discerning media consumers.

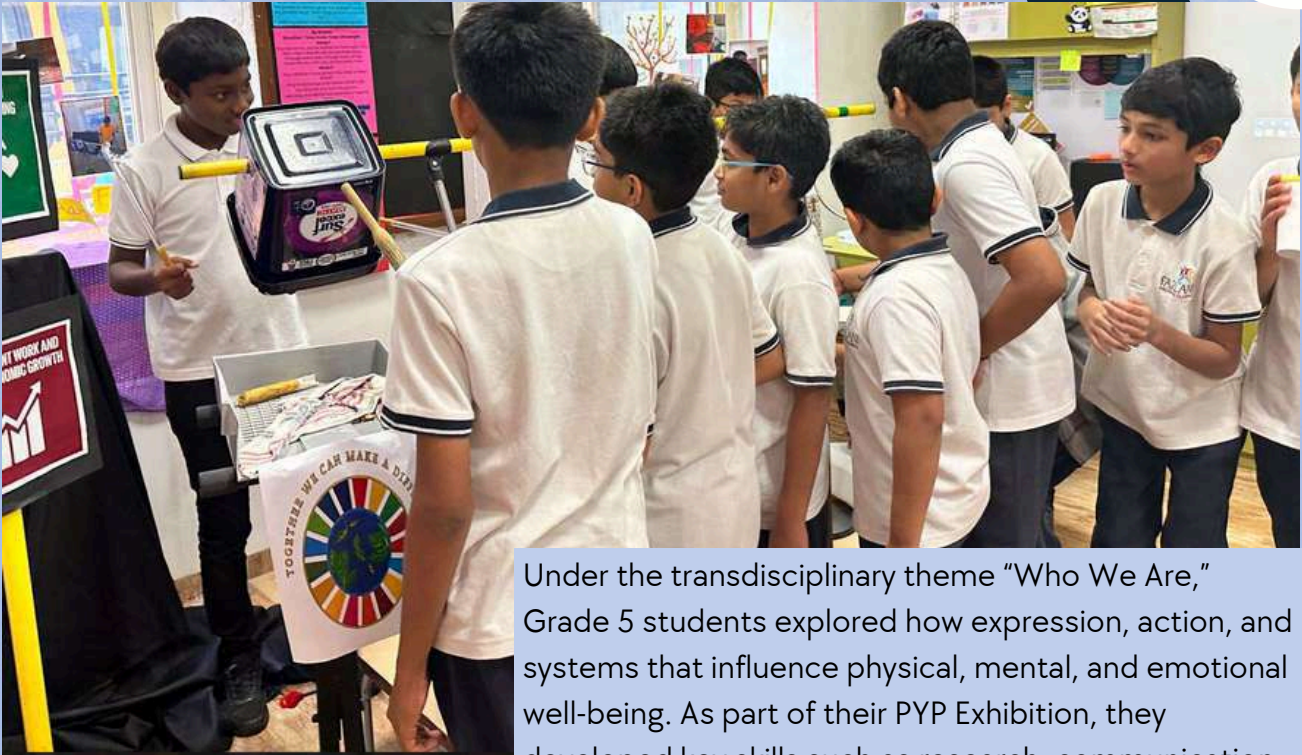

EYP & PYP Art Exhibition

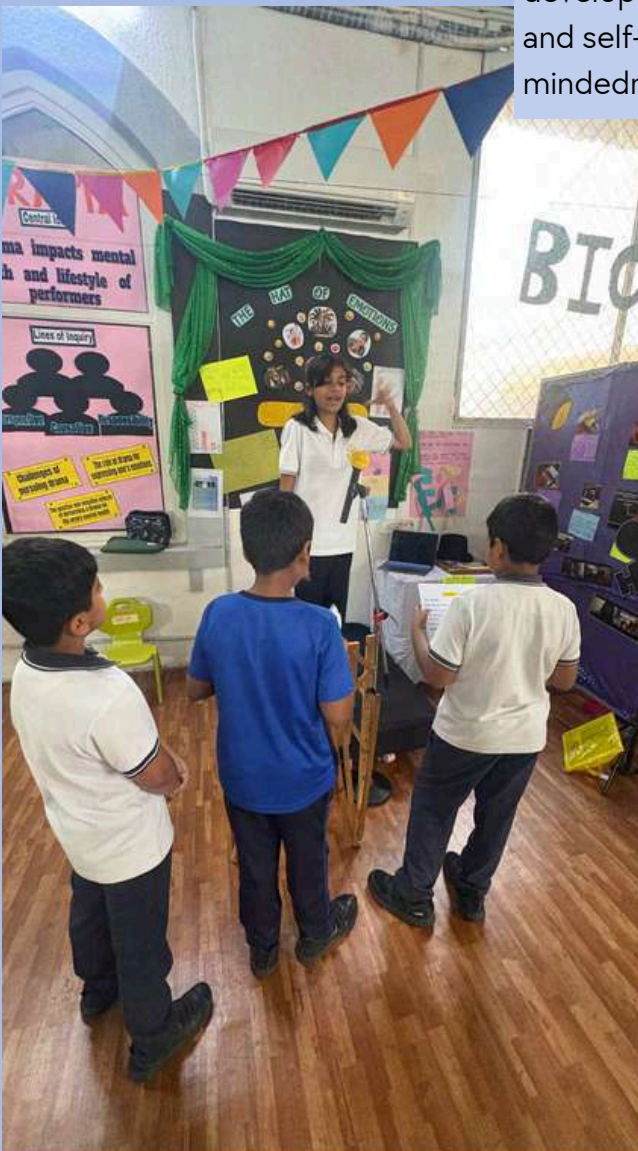

The EYP & PYP art exhibition was a vibrant celebration of creativity, showcasing an incredible array of artwork that captivated visitors. The exhibition was a fantastic fusion of artistic expression and eco-conscious learning, leaving attendees inspired and eager for more such creative experiences!

PYP Exhibition

Under the transdisciplinary theme "Who We Are," Grade 5 students explored how expression, action, and systems that influence physical, mental, and emotional well-being. As part of their PYP Exhibition, they developed key skills such as research, communication, and self-management while demonstrating international mindedness through global and cultural connections.

EXPRESSION ON THE RUNWAY

Grade 4 shone in their “How We Express Ourselves” Unit Celebration, held on Tuesday, 22nd April, 2025. It was a vibrant and heartwarming culmination of the transdisciplinary theme “How We Express Ourselves.” The event showcased the creativity, confidence, and cultural understanding of our young learners through a dazzling display titled “Expression on the Runway.”

MYP 1 & 2

Master Chef

Food Design Showcase

At Edubridge International School, the EIS Master Chef Challenge gave MYP 1 & 2 students a chance to apply design thinking, science, and math as they crafted nutritious dishes and beverages. Through this hands-on, interdisciplinary experience, students developed real-world skills in nutrition, teamwork, and presentation while exploring career paths in culinary arts and hospitality. Events like this reflect EIS's commitment to fostering creative, well-rounded learners.

**READY
TO EAT**

PERSONAL

PROJECT

Exhibition

The students of MYP5 accomplished a major milestone in their learning journey today, as they presented their Personal Projects to the students, teachers, and parents. They delved into topics that they are most passionate about and created impactful products, ranging from organically farmed vegetables, recycled clothing, edible cutlery, comic books, sports, and investment guides!

EDUBRIDGE SCI-FEST

On February 28, 2025, the school celebrated National Science Day with the Edubridge Sci-Fest! From our curious EYP and PYP learners to our confident MYP and DPY innovators, the entire campus turned into a buzzing hub of discovery.

DP2 SCIENCE COLLABORATIVE PROJECT

As part of the IBDP Collaborative Science Project, students from various Group 4 subjects—including Biology, Chemistry, Physics, Environmental Systems & Societies, and Computer Science—worked in interdisciplinary teams to explore the theme of City Planning and Management. The two student groups focused their research and presentations on the issues of Air Pollution and Traffic Management. They presented their findings and innovative school-based solutions to an audience of MYP5 students, teachers, and parents. The project highlighted both real-world problems and the power of interdisciplinary collaboration in science.

DP 2 VISUAL ARTS EXHIBITION

The DP Visual Arts Exhibition 2025 was a vibrant celebration of our students' creativity and dedication. Held on campus, the exhibition showcased the final body of work for the IB Visual Arts internal assessment. The students presenting work this year were Naira Sen, Aania Jain, Meeshaa Siingh and Niskha Dutt. Each student curated their own show, presenting a personal and meaningful collection of artworks. We were also honored to have Ms. Suvarnareha Jadhav as our Chief Guest. She shared valuable feedback with the students, encouraging them to continue their artistic pursuits with passion and purpose in the future.

DP SAIBSA

On November 9th, 2024, Edubridge International School had the honor of hosting the prestigious South Asian International Baccalaureate School Association (SAIBSA) event for the IBDP programme. This annual gathering brings together facilitators, educators, teachers, and mentors from across India, providing a unique opportunity for the IB community to connect, collaborate, and exchange best practices.

PYP5

GRADUATION

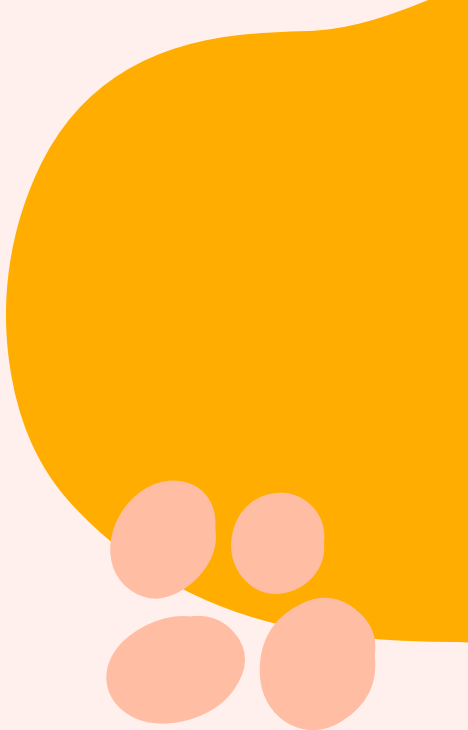

The PYP5 graduation on May 22, 2025 celebrated academic achievements and personal growth, marking the end of a memorable PYP journey. Students marked this milestone with pride and excitement, surrounded by family, teachers and friends. It was a truly memorable way to mark their transition to the MYP!

DP2 Graduation

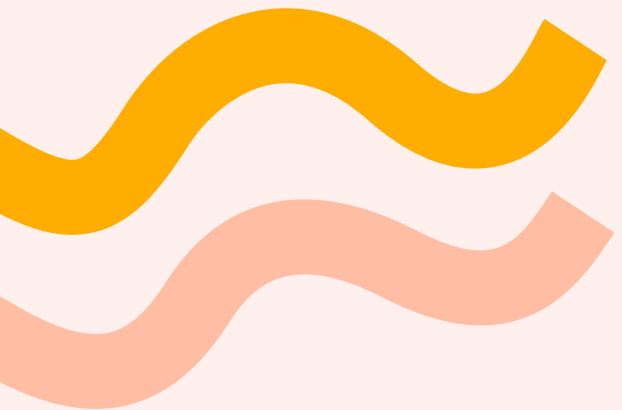

DP 2's graduation on May 22, 2025, celebrated their academic achievements and personal growth, marking the end of a memorable DP journey. Students marked this culmination with pride and excitement, surrounded by family and friends.

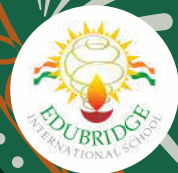

CELEBRATIONS

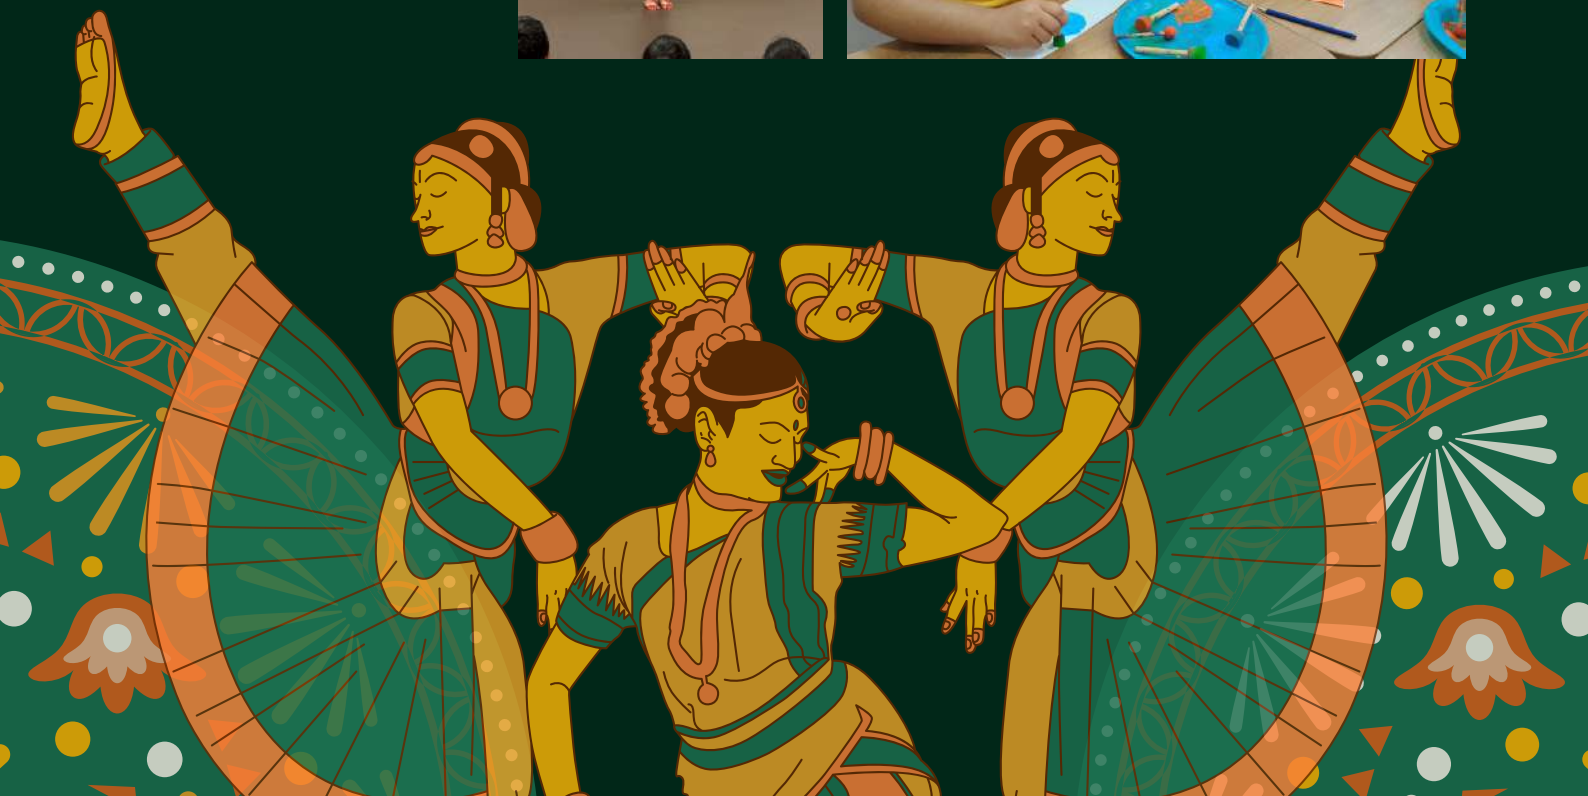

2024-2025

INDEPENDENCE Day

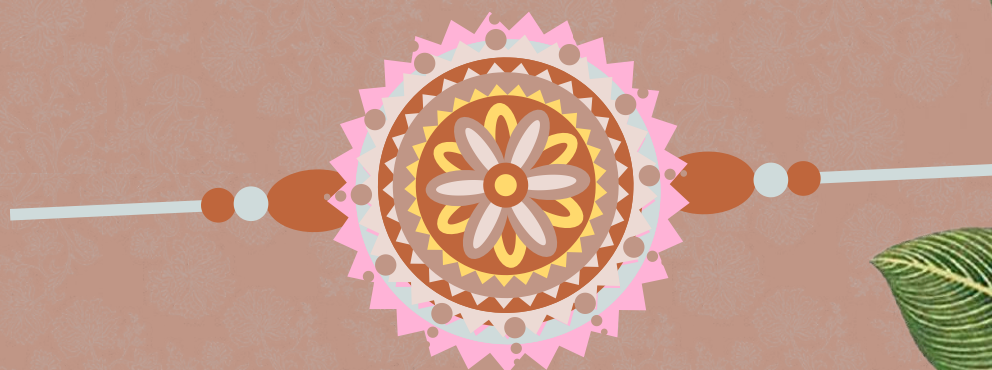

The Independence Day celebration for this academic year was as patriotic and joyful as ever. To start us off, we had some incredible performances by students followed by had our STUCO Investiture Ceremony.

An EIS Christmas

Children's Day

5th September

Teachers' Day

A SWEET SURPRISE FOR OUR SUPER TEACHERS!

STUCO kicked off Teachers' Day with a heartwarming surprise—students greeted teachers at the door holding cute, handmade cards! Laughter filled the air as teachers played fun games and enjoyed a lively lunch session together. A day full of joy, gratitude, and smiles—thank you STUCO for making it so special!

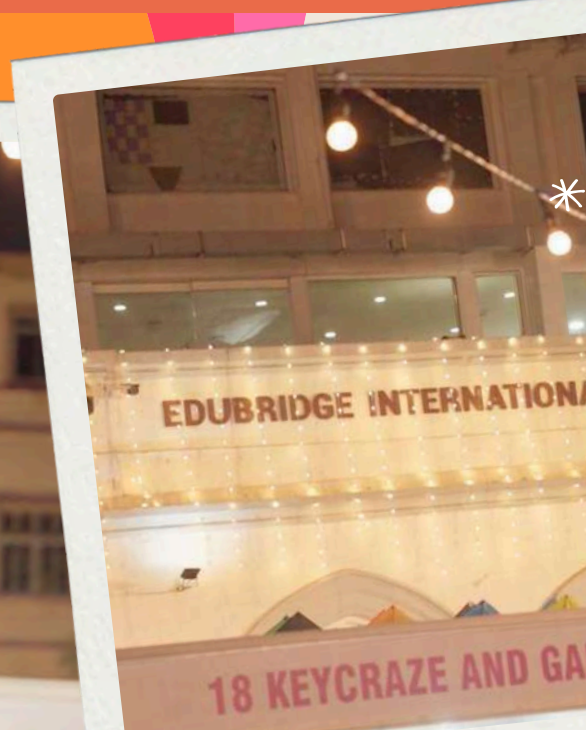

Valentine's Day

EDUBRIDGE FIESTA

Fun, games, and festive cheer galore—Edubridge Fiesta left us wanting more! Thanks to our amazing PAC parents for organizing a day filled with exciting stalls, laughter, and endless memories!

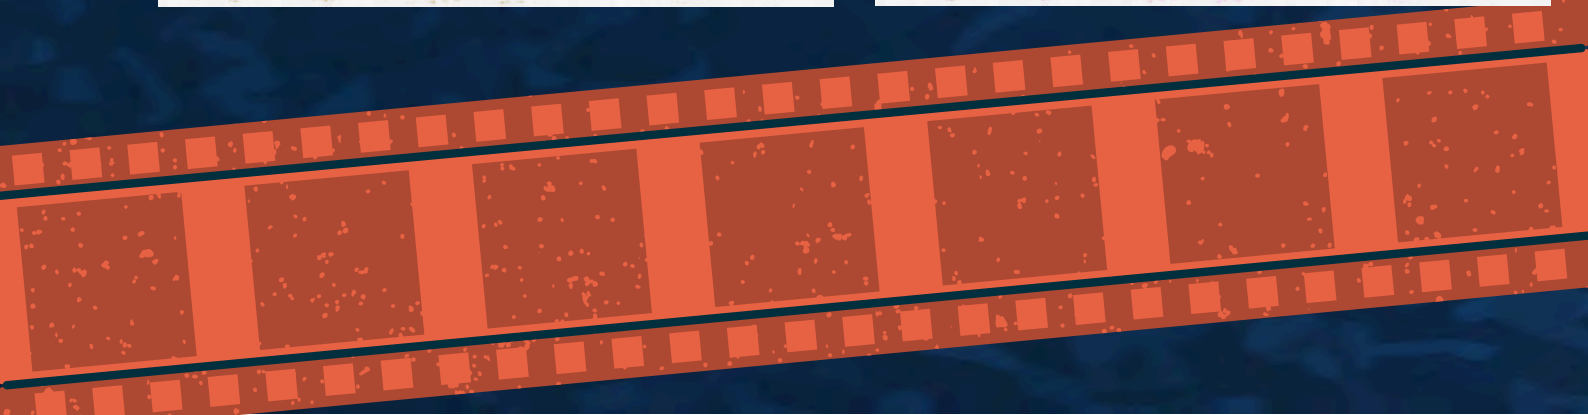

Annual Day

This year's Annual Day production *Jungle Beats: Edubridge Calls for Change*, was inspired by the theme of change and action. EIS's adaptation of *The Jungle Book* shared a powerful message about the need for humans to coexist respectfully with animals and nature. Through vibrant music, theatre, and dance, students expressed their reflections on the world around them, showcasing their talents to the entire school community! Teachers also took the stage, reminding us that the joy of performance extends beyond the classroom. The evening ended with a surprise performance, a vibrant and proud celebration highlighting the importance of taking pride in our local and global community.

Board Game Bonanza

Organising an MYP class-led assembly for the first time ever, MYP1 students hosted a 'Board Game Bonanza' for their peers in MYP2 and 3 on October 7, 2024. MYP1 students played the role of game masters, engaging their peers in novel and unique board games created in the course of their Design sessions. The event was a vibrant celebration of creativity, collaboration and problem-solving as our budding designers shared their innovations with all.

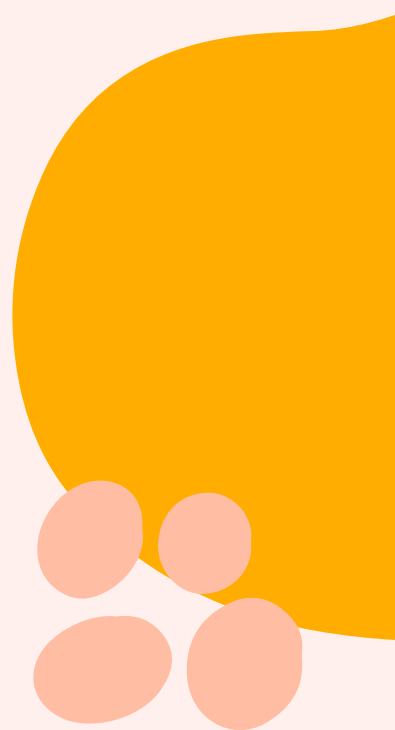

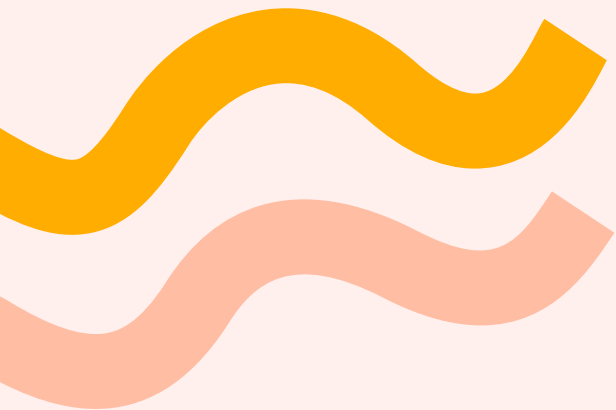

PYP & MYP Inter-House Dance Competition

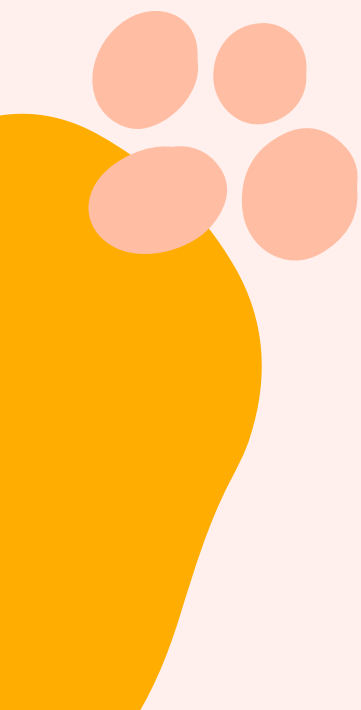

The Inter House Dance Competition held on 28th April 2025 brought energy and excitement to the stage, with students from PYP 1 to MYP 1 dancing through the decades. From folk and fusion to Afrobeats and disco, each performance lit up the stage with talent and creativity. Congratulations to the winning houses and a big thank you to judges Mr. Miten Thakkar and Ms. Nidhi Makwana for their inspiring presence!

SPORTS

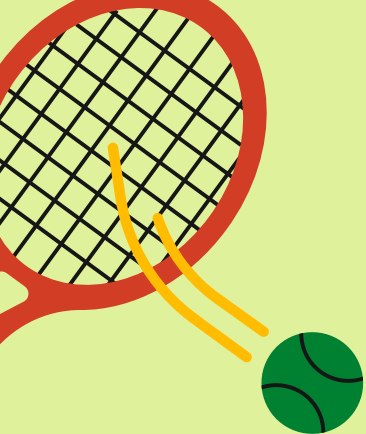

2024-2025

Sports Day

EYP

The Early Years Programme Sports Day was a joyful celebration of movement, participation, and physical literacy for our Nursery to Senior Kindergarten learners. The children approached each event, from flat races to obstacle courses, with enthusiasm and focus, demonstrating developing motor skills and confidence. Parent participation in fun races added to the sense of community and shared enjoyment. The day reflected our students' perseverance, team spirit, and growing comfort with new challenges.

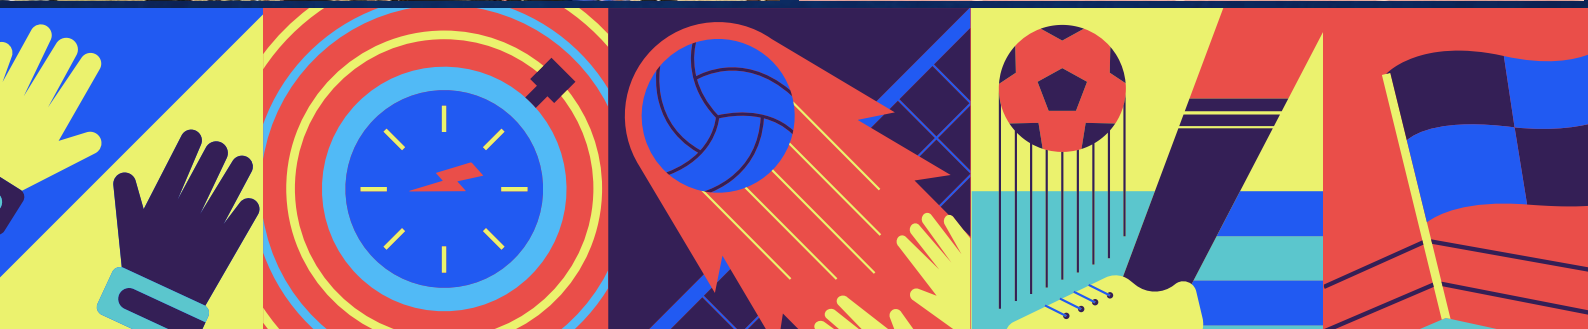

Sports Day

PYP, MYP & DP

This year's annual Sports Day at Edubridge International School was a huge success! On the 13th of January, 2025, all of our staff and students worked enthusiastically, ensuring that the day was memorable and fun for everyone. This year, the Sports Day was held at the Kohli Stadium in Navy Nagar. Vesuvius (red) received 82 points, Agumbe (green) obtained 105, Yangtze (blue) was awarded with 103 points, and Mojave (yellow) earned 122 points, making them the winners!

Sports Wins & Accomplishment

September: Vivaan Mehta of DP 2 secured the gold medal at ISSO U-19 Judo competition.

October: The U-14 girls' team competed in DSB International School and finished second, winning the runners-up position in the inter-school football league.

November: The U-11 girls' team competed in Mount Litera International School, finishing second as the runners-up in the basketball tournament.

Sports Wins & Accomplishment

December: The U-10 girls' team stood second in football, securing the runners-up position in the SFA Championship.

December: The U-10 boys' team also placed third in football during the SFA Championship.

January: The U-7 mixed team competed in Oberoi International School, finishing in third place in their football tournament.

Sports Wins & Accomplishment

February: The U-12 girls' team from Garodia International School secured first place in football, becoming champions.

February: The U-16 boys' football team from Garodia International School also finished in fourth place.

February: The U-9 mixed football team claimed first place at the EIS LIGA. The U-11 mixed football team also secured third place.

Sports Wins & Accomplishment

February: The U-9 mixed basketball team achieved first place at the EIS LIGA.

February: The Under-11 mixed basketball team earned third place at the EIS LIGA.

March: The U-12 girls' team won first place in football, becoming champions at the SMJSC Championship.

Sports Wins & Accomplishment

March: The U-14 girls' team also secured second place, finishing as runners-up in football at the SMJSC Championship.

March: The U-9 mixed basketball team took first place, emerging as champions at the Oberoi International School Sports Fest.

EDUBRIDGE FOOTBALL LEAGUE

The 2025 edition of the much-awaited Edubridge Football League took place from 4th to 21st February, featuring four teams: Mumbai, Goa, Bengaluru, and Bengal, each representing an ISL franchise in an exciting two-round format. Following an intense two-day auction, the league saw thrilling matches that led to a hard-fought final between Bengaluru and Goa, with Bengaluru emerging victorious!

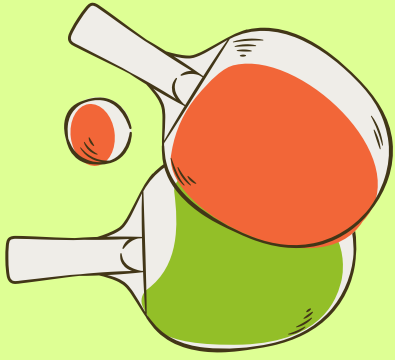

EIS LIGA

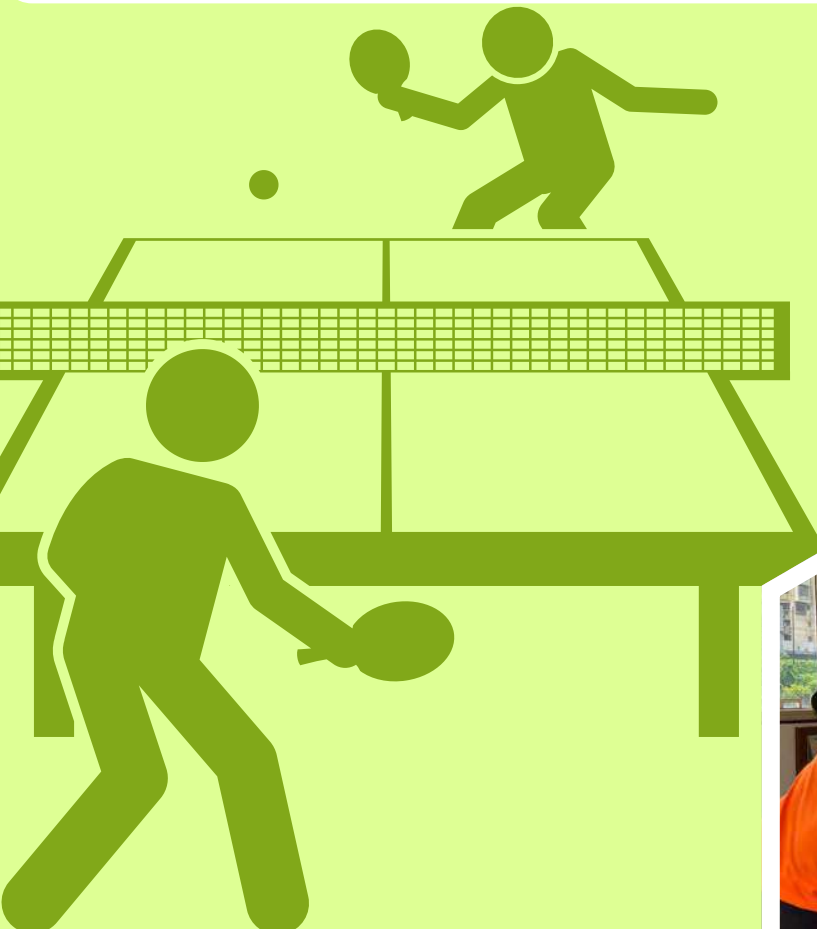

Edubridge International School proudly hosted the EIS Liga on February 15th and 16th, welcoming several IB schools from Mumbai for an exhilarating display of athleticism and sportsmanship. The grand event brought together top-tier talent in football and basketball, with students showcasing their dedication, teamwork, and competitive spirit.

INTER-HOUSE TABLE TENNIS TOURNAMENT

During August and September, the PHE department organized an inter-house table tennis competition featuring Mojave, Vesuvius, Agumbe, and Yangtze. Matches were held during lunch breaks, drawing enthusiastic crowds of students and staff. The event fostered school spirit, with peers cheering on their housemates and players displaying determination and sportsmanship. Winners included Kiaan Suchak, Aarika Arora, Shaurya Zaveri, Naisha Mody, Dev Kotak, Mannat Bohra, and Navya Sarathy across various age categories.

Pickleball Mixed Doubles

Winners: Mr Vikas Salunke and Ms Gauri Sani

Runners up: Mr Rushabh Kalbhorand and Ms Devika Naidu

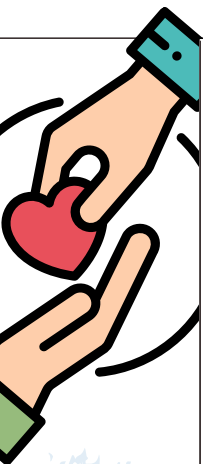

SERVICE AS ACTION

2024-2025

Friday Service

This year, MYP students engaged in a variety of meaningful service projects. MYP1AB visited Raksha Foundation and organized a "Paws for a Cause" fundraiser to support stray animals. MYP2A continued their work with F.S. Parekh Old Age Home, raising funds through a snack sale to provide care packages. MYP2B began connecting with Diya Foundation to explore future animal welfare initiatives.

MYP3 aimed to teach conversational English to support staff, while MYP4 spread awareness about adopting strays in collaboration with The Welfare of Stray Dogs. MYP5 continued their partnership with Toybank, visiting the Gilder BMC School and raising funds through a bake sale. It has been a rewarding year of service and advocacy.

IPOR FAVOR!

merci!

धन्यवाद

VOCABULARY BUILDING

MYP1 UNIT-LINKED SERVICE

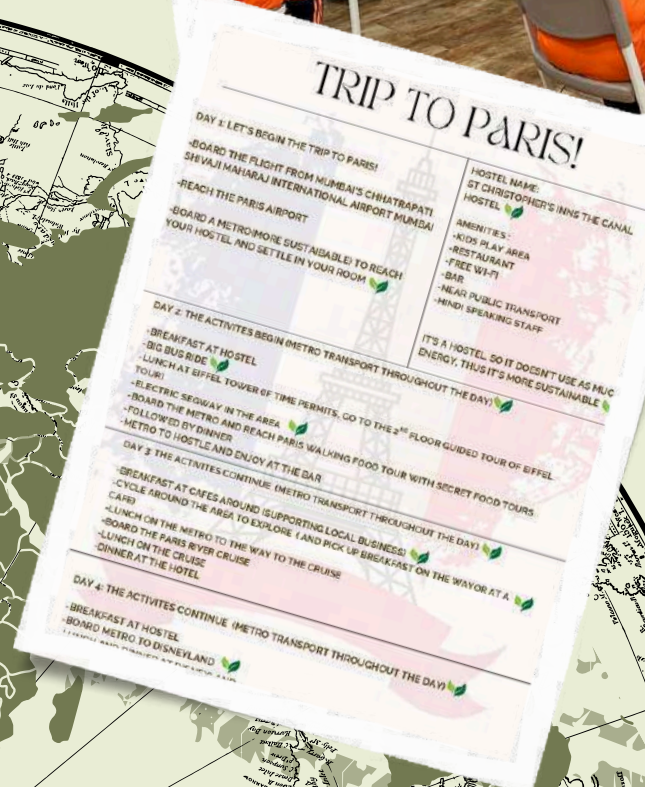

MYP 1 students engaged in meaningful language tasks to support and connect with younger learners. In Spanish, they designed vocabulary flashcards using Canva, which were printed and laminated to make revision more engaging. Hindi students created informative posters highlighting key school facilities to help new students feel more comfortable. In French, students created flashcards, booklets and posters with essential vocabulary and phrases for navigating school life with greater ease. All three language groups presented their work to the PYP 4 class, fostering creativity, collaboration, and communication while promoting a strong sense of community and responsibility.

SUSTAINABLE Tourism

MYP2 UNIT-LINKED SERVICE

MYP 2 visited the Gateway of India to survey tourists and vendors, gathering information on the impacts of tourism. They then created infographics and sustainable itineraries promoting responsible tourism. They presented their work to MYP 1 advocating the impacts of tourism and provided sustainable options for their peers to understand the need of sustainable tourism options for them to incorporate during the summer vacation.

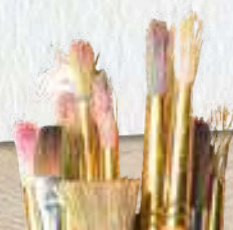

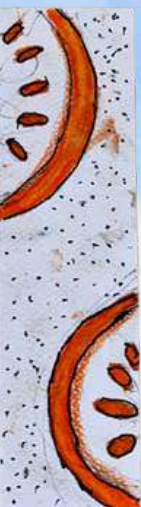

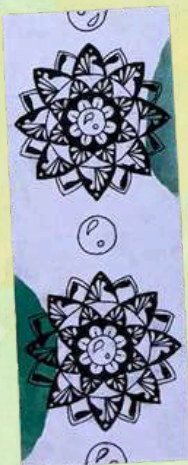

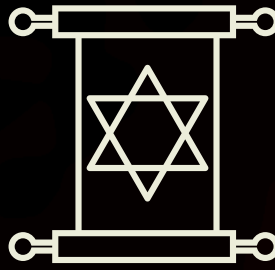

Tribal Art Bookmarks

MYP3 Unit–Linked Service

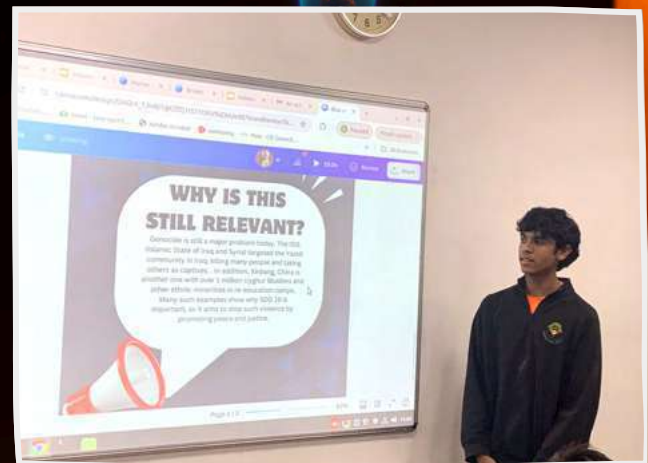

MYP 3 students created a mini book that demonstrated their understanding of color application techniques explored in the unit on Impressionism. They also designed bookmarks, which provided a mindful and creative activity that encouraged self-expression and artistic exploration. Through this process, students became more aware of their individual strengths and creative abilities, helping to build their confidence and a sense of accomplishment.

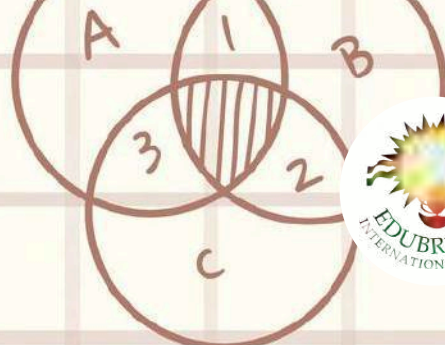

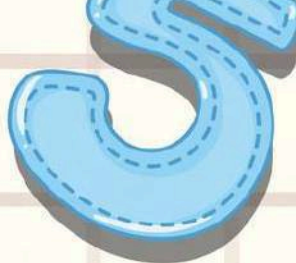

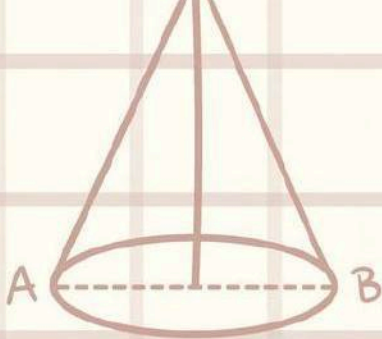

HOLOCAUST REMEMBRANCE DAY MYP4 UNIT-LINKED SERVICE

As part of the unit-linked service component in English, students delivered a group presentation in honor of Holocaust Remembrance Day on January 27th, 2025. Their presentations, delivered to MYP3 and MYP students, helped build awareness and empathy by sharing key facts and amplifying the voices of those impacted by the Holocaust. By doing so, they contributed to the promotion of SDG 16: Peace, Justice, and Strong Institutions. Through their research, students bore witness to the atrocities of the Holocaust and deepened their audience's understanding of its historical significance.

TRIGONOMETRY FOR ALL

MYP5 UNIT-LINKED SERVICE

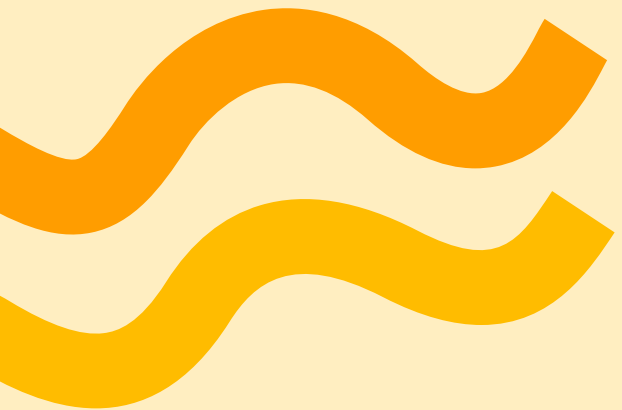

The MYP5 students, in order to encourage upcoming MYP3 students, organised trigonometry concept stations in Maths class to help ease into the topic of trigonometry. The five stations were designed were not only designed for advocating a discipline of math and making it more relatable, but also to help MYP5 students foster a community mindset to work together for a purpose.

CREATIVITY ACTIVITY SERVICE

2024-2025

Welfare of Stray Dogs

Neighbourhood strolls

Playtime

Bathing dogs

Five students from DP2, Drishti, Yohaán, Jainam, Navya and Sanyukta volunteered at an NGO called WSD (Welfare of Stray Dogs). The organisation works to shelter street dogs and cats and helps eradicate rabies. The four students were volunteers for three months, taking on roles like bathing, walking and playing with the dogs. The experience taught them a lot in patience, kindness and responsibility, and they take the learnings forward appreciatively.

Vatsalya Foundation

Our Part

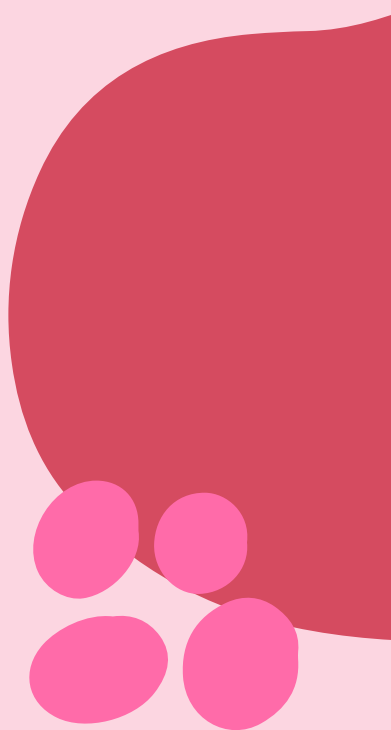

On the 6th of October, a group of DP Students—Aania Jain, Annika Kumar, Meeshaa Siingh, Yogita Doshi, and a few other students from Hillspring—organized a memorable fundraiser for the children at the Vatsalya Foundation. For nearly two years, they have been volunteering with the foundation, teaching English and Science to underprivileged children, and this event was their way of further supporting their growth and development. The event featured a variety of fun activities including Twister, darts, and housie, as well as a range of delicious food stalls. DP students were able to raise a whopping Rs. 30,000 from the fundraiser.

MOTHER TERESA'S ROSES: BAG OF JOY

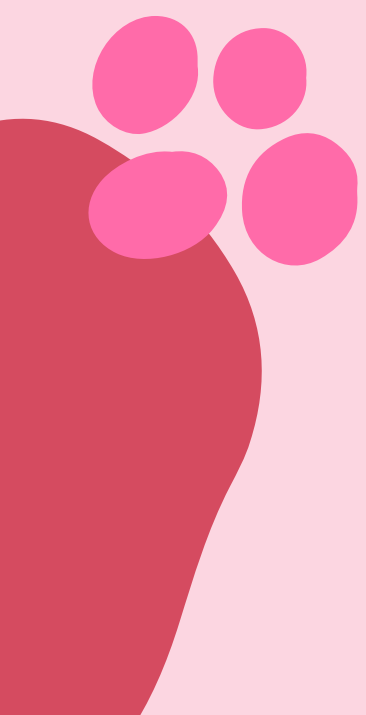

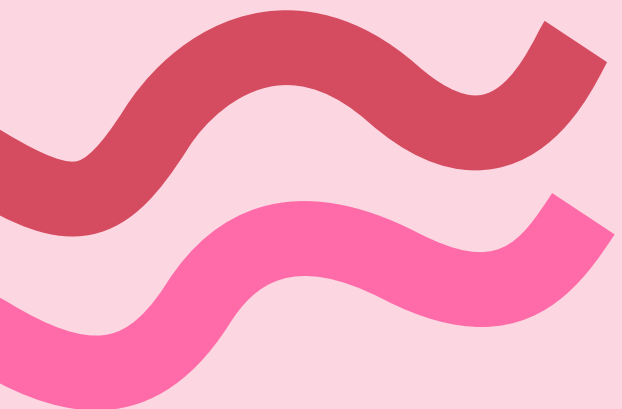

As part of a service initiative, Nishtha Lalwani of DP2 collaborated with the charity NGO Mother Teresa's Roses to support 35 underprivileged families. They launched the 'Bag of Joy' project, rallying the school community to contribute daily-use items for Christmas hampers. With overwhelming support, over ₹20,000 was raised in just three days, allowing the student to exceed their original goal. The initiative culminated in a joyful evening of games and celebration with the children during the Christmas break.

WELLBEING

2024-2025

This year, our focus on intentional wellbeing practices continued to strengthen a culture where every student and staff member feels seen, supported, and inspired—fostering a vibrant, compassionate school community.

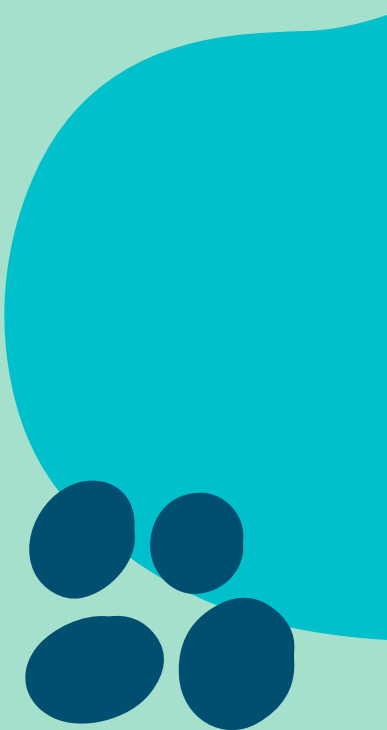

At Edubridge, wellbeing is at the core of our culture and community. Throughout the year, we have engaged students, staff, and parents in a range of meaningful initiatives that support holistic growth. From empowering workshops on personal safety and understanding exclusion, consent and personal boundaries to sessions that guide and support parents, every effort is rooted in our commitment to building a safe, inclusive, and nurturing environment for all.

This year, our wellbeing initiatives have played a powerful role in shaping confident, compassionate learners. Through interactive SEL lessons, stress management sessions, and workshops that promoted inclusion and self-awareness, students developed tools to navigate both school and life with resilience. Parents, too, found support through targeted sessions on exam readiness and emotional wellbeing. These experiences have not only enriched individual journeys but have also strengthened the collective fabric of our school community.

COMMITTEES

2024-2025

THE STUDENT COUNCIL

The EIS Student Council (STUCO) are elected annually through a rigorous process of voting and nominations. The process begins in July, with candidates collecting nominations, followed by speeches and voting. The results were announced on August 15th during the Independence Day celebrations. STUCO has convened weekly meetings, engaging in discussions spanning a spectrum of school-related topics. They also organized events like the Diwali Celebration, Valentine's Day, Navratri Celebration and Teacher's Day.

ACKNOWLEDGE MENTS

2024-2025

Acknowledgements

Our team is proud to present this yearbook as an attempt to commemorate and celebrate the many and varied events and initiatives in this academic year. We would like to acknowledge the support of the Senior Leadership Team for their heartfelt notes and reflections this academic year.

We would also like to thank the teachers and students who captured so many moments in the form of images, particularly the tireless efforts of Ms. Simran Sharma of the social media team and Mr. Ajit Charvat, Mr. Dinesh Kumar and Mr. Vaibhav Phage of the IT department, who have tirelessly documented every event in the EYP, PYP, MYP and DP this year.

Finally, we would like express our gratitude to Ms. Flevy Menezes, Ms. Priti Shah, and Ms. Tracy Waller for helping us gather and consolidate relevant information from the EYP, PYP and DP programmes.

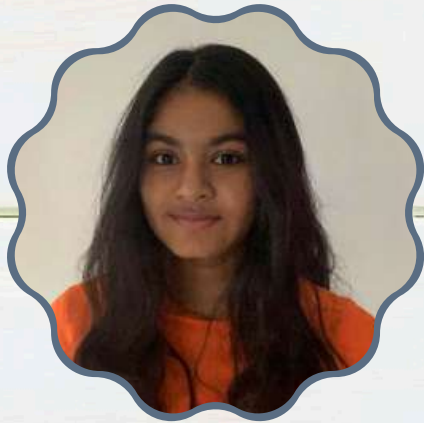

We hope that this yearbook has allowed you to look back and capture all your fondest memories and moments from the past year.

Regards,
