MESSAGES

MESSAGE FROM THE FOUNDER DIRECTOR

As we come to the close of another enriching academic year at Edubridge International School, I reflect with immense pride and gratitude on all that we have accomplished together as a community.

It has been a remarkable journey of growth, resilience, and creativity. At EIS, we continue to believe that education extends far beyond academic achievement. Through collaborative learning experiences, artistic explorations, community engagement, sports and leadership opportunities, our students have continued to grow and flourish.

We also mark a milestone in the journey and identity of our school- the EIS School Anthem, composed by our own talented teachers and students. The anthem reflects the spirit of the Edubridge community: we “march along” together, soaring to touch the sky, and yet remain grounded in the richness of “Maajhi Mumbai” and “bharat desh ki mitti.” With this anthem, we look outward as a school community toward a future that is “bright and bold” and celebrate learning, unity, and our core values.

To our parents, thank you for your continued trust, partnership and active involvement in school life. Your encouragement and collaboration are integral to building a strong and supportive learning environment. I would also like to express my sincere appreciation to our dedicated educators. We deeply value the passion, commitment and positive energy you bring into the classroom every day.

Finally, we take immense pride in the achievements of our alumni, who continue to excel across diverse fields in India and around the world. Their accomplishments in entrepreneurship, arts, technology, business and community leadership truly reflect the global outlook, values and the spirit of lifelong learning nurtured at EIS.

As the year closes, we remain committed to creating meaningful experiences that inspire lifelong learning, personal growth, and a strong sense of responsibility toward the world around us.

Warm regards,
Ms Viral A Parikh

MESSAGE FROM THE CO-FOUNDER DIRECTOR

This academic year at Edubridge International School has been marked by growth, innovation, and meaningful learning experiences. As a community, we have continued to strengthen our commitment to providing students with a balanced education that nurtures academic excellence and personal development.

Throughout the year, our students have demonstrated resilience, curiosity, creativity, and a willingness to embrace new challenges. Whether in classrooms or on the sports field, they have grown in confidence and strength.

At EIS, we believe that education extends beyond textbooks and examinations. Physical activity, outdoor experiences, teamwork, and moments of challenge play an important role in shaping character and wellbeing. Through sports programmes, camps, and competitions students were encouraged to step outside their comfort zones.

This year also saw the introduction of future-focused learning initiatives across the school. Financial Literacy was introduced across the MYP, helping students develop practical life skills. Alongside this, we began integrating AI learning more intentionally within our whole-school STEM Programme, an area that will continue to grow in the coming academic year.

Finally, as we conclude this academic year, we extend our gratitude and best wishes to the educators moving on from EIS after more than five years of dedicated service — Ms. Chhavi Tibrewal, Ms. Meeta Katodia, Ms. Tanaz Hataria, and Ms. Shreya Jindal.

To our students, teachers, and parents, thank you for your continued enthusiasm and support. We look forward to continued growth and success in the coming years.

Warm regards,
Mr. Raman Siingh.

MESSAGE FROM THE HEAD OF SCHOOL

As we reflect on another remarkable year at Edubridge, we do so with immense pride in the growth, creativity, and spirit shown by our students and community. This year was filled with meaningful firsts, exciting opportunities, and moments that truly captured the essence of holistic education.

We proudly hosted our first-ever Edubridge Lit Fest, a celebration of stories, imagination, and the joy of reading. With inspiring author sessions and engaging discussions for both students and parents, the festival highlighted the importance of nurturing readers in a digital age. We also witnessed the debut of our first Elocution Competition, encouraging confident expression and speech.

Our students continued to shine across disciplines. The Science Fair showcased innovation, curiosity, and communication, while our art and dance competitions celebrated creativity and talent. In sports, our students achieved several victories, and we were honoured to host the Champions Fest, bringing together PYP students from IB schools for football and basketball.

This year also marked the debut of our school anthem, composed by members of the Edubridge community, a proud milestone that beautifully reflects our identity and spirit.

Experiential learning remained at the heart of our journey through memorable field trips, our school trip to Goa and other outbound trips, our Digital Detox Day, alongside the introduction of new initiatives such as Kids MBA, a whole-school STEM programme, and Financial Literacy across the MYP.

From hosting our first MCOP event on climate action to participating in IIMUN conferences locally and internationally, our students embraced leadership and global citizenship. Most importantly, we continued to prioritise wellbeing through initiatives such as Student Wellbeing Ambassadors, strengthening peer support and student leadership. Together, this year has been one of growth, purpose, and achievement.

Warm regards,
Dr. Arnaz Ranji Charna

MESSAGE FROM THE EYP COORDINATOR

"The goal of early childhood education should be to activate the child's own natural desire to learn."

– Maria Montessori

Keeping this thought at the heart of our programme, the 2025-26 academic year was filled with curiosity, growth, and joyful learning. Throughout the year, our learners grew in confidence, independence, and understanding through inquiry, play, and meaningful real-world experiences that encouraged them to explore, question, and connect.

Across Nursery, Jr KG, and Sr KG, students engaged in enriching learning experiences that brought conceptual knowledge and ideas to life. From hands-on explorations of magnets, air, and construction to field visits to bakeries, salons, post offices, construction sites, and a BMC school, children were encouraged to make meaningful connections between classroom learning and the world around them. Guest speakers, learner profile assemblies, role play experiences, and collaborative projects further deepened engagement and understanding.

A key focus this year was strengthening our language and literacy programme. Through a more structured phonics and reading approach, students showed noticeable growth in reading fluency, comprehension, and confidence. The personalised phonics and reading log books curated for our learners meaningfully supported differentiated learning and strengthened home-school connections.

One of the greatest strengths of this year was the spirit of teamwork and collaboration within the Early Years community. Teachers consistently supported one another with care and commitment, while many co-teachers demonstrated tremendous professional growth and will be stepping into homeroom teacher roles next year.

Celebrations such as Janmashtami, Eid-e-Milad, Paryushan, Navratri, Diwali, Christmas, and Parsi New Year nurtured intercultural understanding and appreciation for diversity within our community. As we look back on this year, we are grateful to our students, teachers, and families for helping create a learning community rooted in care, curiosity, and connection.

Warm regards,
Ms. Uzma Malkani

MESSAGE FROM THE PYP COORDINATOR

As we reflect on the academic year 2025-2026, I feel incredibly proud of the growth, collaboration, and spirit that defined the PYP Programme at Edubridge International School this year. It has truly been a year filled with meaningful learning experiences and stronger connections.

Throughout the year, our focus remained on strengthening inquiry, student agency, and conceptual understanding while continuing to build a learning environment where every child feels empowered to think, question, reflect, and take action.

One of the biggest highlights this year was the collaborative culture that continued to flourish across the PYP community. Teachers worked closely together through curriculum reviews, planning sessions, and collaborative projects, showing immense dedication and ownership towards the programme.

This year also brought exciting developments within the curriculum. The Programme of Inquiry was revisited and aligned with the new IB theme descriptors to strengthen conceptual learning across grades. Curriculum review meetings helped improve consistency and progression, while subjects such as STEM and GK created new opportunities for inquiry. The expansion of Music to include both vocals and instruments, along with the introduction of Capoeira and other ECAs, ensured students had opportunities to explore a variety of talents.

Beyond academics, our students continued to demonstrate empathy, leadership, and global-mindedness through action projects, fundraisers, NGO collaborations, community initiatives, and intercultural events. Assemblies, UN Day celebrations, parent panels, Literacy Week, Lit Fest, and experiential learning trips all contributed to creating authentic and memorable learning experiences.

A heartfelt thank you to our teachers, students, and parents for their continued support, dedication, and partnership throughout the year. Together, we have continued to build a caring and reflective learning community where students are encouraged to grow into confident, responsible, and compassionate global citizens.

Warm regards,
Ms. Chantelle Ferns

MESSAGE FROM THE MYP COORDINATOR

As we turn the pages of this yearbook, we are reminded that a school year is made up not only of academics, but also of friendships, challenges, laughter, growth, and shared experiences that can be cherished over a lifetime.

This year, our MYP students continued to demonstrate the different values that we uphold at EIS. They have shown curiosity, empathy, and open-mindedness to take on new challenges. Whether in classrooms, on stage, on the sports field, through service initiatives, or during collaborative projects, they showed what it means to be active learners and compassionate members of a community.

The MYP encourages students to think critically, act responsibly, and reflect meaningfully on their learning and experiences. In a rapidly changing and increasingly chaotic world, adaptability and equanimity are needed to meet challenges, and the diverse facets of the programme help prepare students for the challenges and the opportunities of the future, both foreseen and unforeseen.

It has been inspiring to see our students grow in confidence, discover new passions, and support one another along the way. We know that they will be able to carry their skills into their future academic and personal journeys.

To our students, thank you for bringing energy and enthusiasm into our school each day. To our teachers and parents, thank you for your constant guidance, encouragement, and partnership.

As you look back through these memories, may you cherish the moments that made this year special and carry forward the lessons, friendships, and experiences that will continue to shape your journey ahead.

Warm regards,
Ms. Mansi Gandhi

MESSAGE FROM THE DP COORDINATOR

This yearbook is a testament to the transformative journey of the Diploma Programme and the growth of our students throughout the year. We witnessed students embrace curiosity, ask thoughtful questions, and demonstrate a willingness to challenge ideas and explore perspectives beyond the classroom through meaningful inquiry and investigation.

Through CAS experiences, students engaged meaningfully with their communities, developing empathy, responsibility, and a deeper understanding of their role as change makers. Leadership emerged from taking initiative within classrooms to being a part of school committees and school events. Interdisciplinary learning during field trips allowed students to make valuable connections across subjects and real-world contexts, while the IB learner profile was evident in the way students carried themselves each day – as principled, balanced, caring, reflective, and open-minded individuals.

The DP journey teaches students not only how to succeed academically, but how to persevere through challenges, lead with compassion, think independently, and contribute meaningfully to society. This year, we have seen our students demonstrate resilience, share informed perspectives, communicate with purpose, and grow into confident young adults ready for the future.

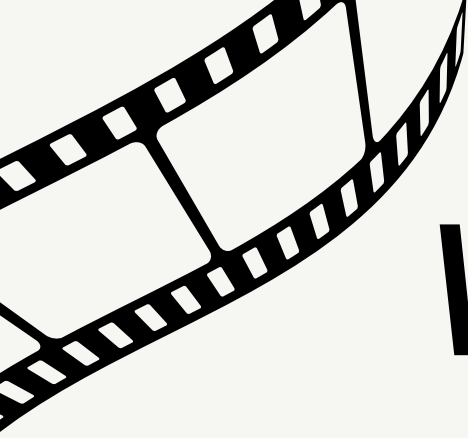

None of this growth happens in isolation. I would like to extend my sincere gratitude to our students for their commitment and determination, to our teachers for their constant support, guidance, and dedication, and to our parents for their trust and partnership throughout the journey. Together, we continue to build a community that nurtures growth, celebrates achievement, and supports every student in becoming the very best version of themselves. Every day, we see how the IBDP shapes our students not just for examinations, but for life.

Warm regards,
Ms. Tracy Waller

EIS FAMILY

WHOLE SCHOOL TEACHERS

SENIOR LEADERSHIP TEAM

Top row (left to right): Mr Dinesh Rajput, Ms Mansi Gandhi, Ms Aashi Bhavnani, Ms Anjali Castellino, Ms Richa Shah, Ms Zoha Khan, Ms Anieta Monteiro

Bottom row (left to right): Ms Tracy Waller, Ms. Ranjana Deb, Dr. Arnaz Ranji Charna, Ms Viral Parikh, Mr Raman Siingh, Ms Chantelle Ferns, Ms Uzma Malkani

IT AND ADMIN TEAMS

ACADEMIC EVENTS

EIS Lit Fest

The Edubridge Lit Fest 2025 transformed our campus into a vibrant hub of stories and creativity! Designed as a whole-school initiative, the festival brought together students, parents, and renowned specialists with a focus on engaging with language and literature. Across the day, students from all programmes participated in age-appropriate sessions led by distinguished writers and field experts.

LITERACY WEEK EYP-PYP

This year, Literacy Week for EYP and PYP was thoughtfully planned around the theme "Imagination and Creativity!" Throughout the week, learners actively participated in a wide range of literacy-focused activities, including storytelling, creative writing, word games, and interactive discussions, all designed to strengthen literacy skills while encouraging innovative thinking. A major highlight was the Character Parade, where learners confidently showcased their favorite literary characters through imaginative costumes and presentations.

LITERACY WEEK

MYP-DP

This year, Literacy Week for the MYP and DP commenced with a book spine poetry competition, an elocution competition and a spelling bee competition organised by the DP students. The rest of the week featured theatre games, ten-word stories, hands-on creative activities, and language acquisition activities. In addition to these events, students were encouraged to dress up as famous literary characters from novels, movies and other mediums of expression. Overall, the event proved to be a true representation of a love of literature and storytelling.

WHOLE SCHOOL ELOCUTION COMPETITION

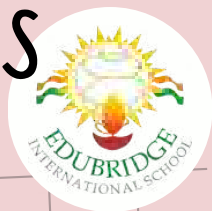

This year, EIS held its first ever Whole School Elocution Competition, an opportunity for students to showcase their public speaking and oral communication skills! An expert panel of judges were invited to the school, and they impressed the students' skill and hard work, describing the competition as an enriching experience and a true showcase of talent.

EYP UNIT LEARNING
CELEBRATIONS

PYP UNIT LEARNING CELEBRATIONS

learn
SOMETHING
- new -
EVERYDAY

Whole School Digital Detox

In an age defined by constant connectivity, EIS came to a complete pause. On Digital Detox Day, every electronic device was set aside, creating a strikingly focussed academic environment aimed at reducing our dependence on technology and focussing on device-free conversation, writing, and learning!

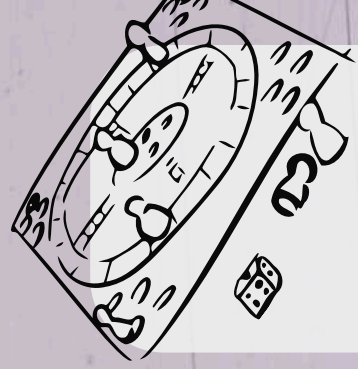

A group of DP students used knowledge from their Collaborative Sciences Project regarding electronic analytics and usage to educate the younger grades. They delivered engaging sessions aimed towards spreading awareness about healthy digital habits and the importance of screen breaks. This meaningful activity promoted the benefits of the EIS Digital Detox Day. Their project emphasised decreasing one's daily electronic use and underscored the environmental cost of unchecked technological consumption and production.

हिन्दी दिवस

The school celebrated Hindi Diwas with enthusiasm and active participation from PYP, MYP, and DP students, showcasing the beauty and global relevance of the Hindi language. PYP students engaged in interactive games, while MYP students highlighted Hindi's growing worldwide popularity through presentations with idioms, proverbs, and tongue twisters. Finally, DP students created a short Public Service Announcement for the assembly, inspiring pride in Hindi's global influence.

Board Game Bonanza MYP1 Assembly

MYP 1 students showcased their creativity and skill during the Game Bonanza Assembly, where they presented board games designed entirely by them! The games combined game and graphic design principles with Hindi, Spanish and French elements to encourage learning through play.

FOOD DESIGN SHOWCASE: MYP1 & MYP2

In this year's MasterChef event, MYP 1 created vibrant smoothie bowls and fresh juices using natural sweeteners like honey and jaggery. Meanwhile, MYP 2 prepared nutritious dishes that demonstrated their technical skills, including thoughtful plating, balanced flavours, and purposeful ingredient combinations. They also crafted healthy sauce options using a variety of wholesome ingredients like foxnuts, cashew milk, and cottage cheese.

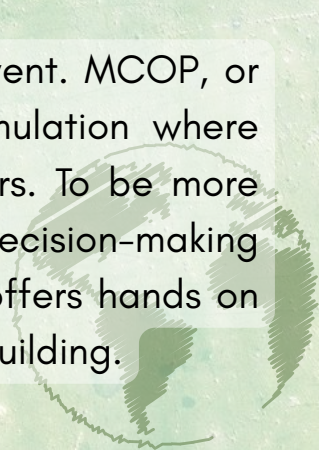

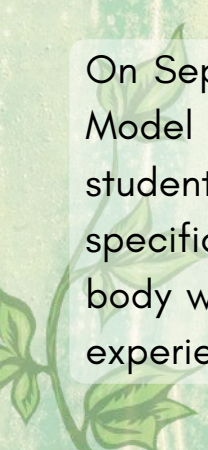

MCOP

On September 18th and 19th, our school hosted our first MCOP event. MCOP, or Model Conference of the Parties, is a dedicated academic simulation where students play the roles of delegates, negotiators, and stakeholders. To be more specific, it is a simulation of the COP (the UNFCCC's supreme decision-making body where countries negotiate climate action). This programme offers hands on experience with policy-making, formal negotiation, and consensus building.

IIMUN AT EIS

This year, an IIMUN conference was hosted at EIS! The IIMUN, or India's International Movement to Unite Nations, is an organisation aimed at promoting global values and Indian culture, empowering students to speak and develop leadership and research skills. It was an interactive learning experience that went beyond just theory, as every delegate stepped into the shoes of their assigned country. Several participants from our school also received recognition and commendations, including Darsh Shaparia, Kiaara Mehta, Sivakumaran Karthigeyan, and Jiana Mehta!

IIMUN in Switzerland

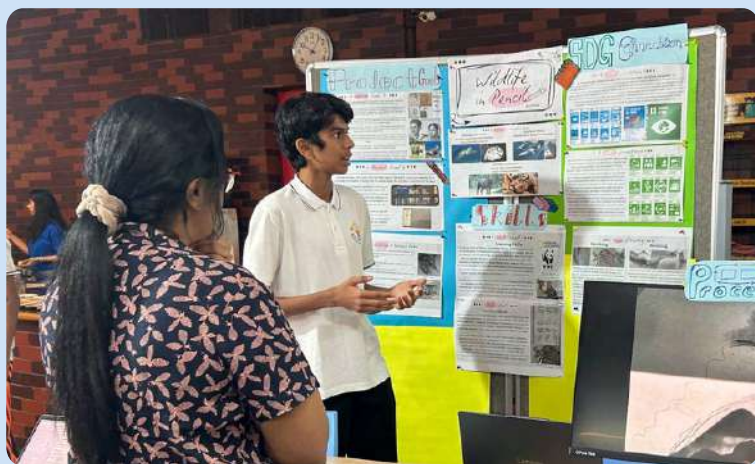

Attending the IIMUN conference in Switzerland was a valuable and enriching experience for our EIS students! The event allowed the participants to engage meaningfully with global issues and understand how structured discussions take place beyond the classroom. Discussing the variety of topics offered a wider perspective on debate, diplomacy, and critical thinking.

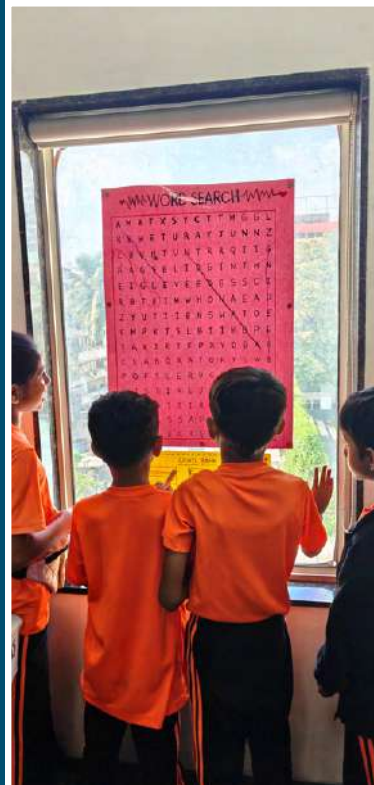

PERSONAL PROJECT

EXHIBITION

The MYP 5 Personal Project challenged students to independently plan, research, and create something rooted in their own passions, building creativity and self-management skills throughout. This year's exhibition showcased impressive diversity, ranging from animal sketches and original music to custom perfumes, chocolates for lactose-intolerant people, and a 3D Formula 1 model. Beyond the final products, students developed essential real-world skills like research, resilience, and problem-solving. The exhibition celebrated what students can achieve when given true ownership of their learning journey.

PYP Exhibition

The PYP Exhibition this year was a powerful celebration of student voice, choice, passion, and purposeful action. Through fourteen passion-driven groups, students used their interests as pathways to identify and address real-world issues within their immediate community and beyond!

DP TOK Exhibition

The DP TOK exhibition this year explored how knowledge manifests in the world around us all. Students presented diverse objects showcasing the interconnected nature of knowledge across disciplines, providing attendees with a deeper understanding of the TOK concepts.

PYP-MYP Arts Exhibition

CREATE ART

This year, the Art Exhibition offered students the opportunity to present their artistic journeys, creating a space where students could express their ideas, emotions, and experiences in a variety of forms!

CREATE ART

KIDS MBA

SHARK TANK!

Our first ever Kids MBA Shark Tank event brought the MYP3 students in the limelight as they pitched promising business ideas, while they sought feedback from judges from our very own EIS parent community. The event was won by Jianna Mehta for her proposed idea of Kubi, a student's voice assistant.

Science Fest- EYP

Our little scientists were bubbling with curiosity and excitement as they explored a variety of engaging experiments. The Nursery parents joined us for a wonderful collaboration, making the science experience more meaningful and interactive. In Jr. KG, parents and learners collaborated through engaging, hands-on science activities. The Sr. KG parents joined us to make science engaging and fun for our learners. It was heartwarming to see parents and children learning together, creating memorable moments of discovery!

SCIENCE FEST - PYP & MYP

The PYP and MYP Science Fest, held on the occasion of National Science Day, was a vibrant celebration of curiosity, creativity, and scientific thinking. Students showcased a wide range of innovative projects, demonstrating strong conceptual understanding and the practical application of science in everyday life. Highlights included working models on renewable energy, water conservation systems, robotics, sustainable city designs, chemical reaction demonstrations, and interactive experiments. In the final results, Yangtze House secured the first position, followed by Vesuvius in second place and Agumbe in third.

A decorative banner for the Science Fest - DP Collaborative Sciences Project. The banner has a light blue border with a torn paper effect at the top. Inside, the text "SCIENCE FEST - DP" is in a yellow box, and "COLLABORATIVE SCIENCES PROJECT" is in large, green, stylized letters. The banner is decorated with various science-related icons: a molecule, a cell, a lightbulb, an atom, a microorganism, and a microscope. Two pushpins are shown at the bottom corners of the banner.

SCIENCE FEST - DP

COLLABORATIVE SCIENCES PROJECT

The Collaborative Sciences Project gave DPI students the chance to work together as an interdisciplinary team, focusing on the global issue of 'Electronic Exposure'. Students brought together different perspectives from subjects such as Computer Science, ESS, Chemistry, Physics, and Biology to see how electronics affect our environment and health.

STEM SHOWCASE

The STEM Showcase at EIS celebrated creativity, innovation, and hands-on STEM learning as a part of the school's after school activities programme. Sr. KG and Grades 1-2 students explored STEM Fundamentals through simple machines and mechanisms, while Grades 3-4 showcased projects on electrics and circuits. Students from Grades 5-7 impressed visitors with their robotics projects, demonstrating problem-solving, coding, and teamwork skills. The event was a proud celebration of the students' hard work, collaboration, and growing STEM skills.

MUSIC SHOWCASE

The Music Showcase was a wonderful celebration of talent and musical expression, which students explored as a part of the school's after school activities programme. Students presented keyboard and guitar performances, demonstrating their dedication, creativity, and growing confidence on stage. The event reflected the joy of learning music and the spirit of self-expression, making it a memorable experience for students, parents, and teachers alike.

SPEECH & DRAMA SHOWCASE

The Speech and Drama Showcase was a wonderful celebration of creativity, confidence, and collaboration. Students enthusiastically showcased their expressive skills through a variety of performances that reflected imagination, teamwork, and communication. What made the event even more meaningful was the enthusiastic participation of parents, whose involvement added warmth and strengthened the spirit of community within our school.

PYP5 Graduation

The PYP5 graduation on May 22nd celebrated academic achievements and personal growth, marking the end of a memorable PYP journey. Students celebrated this milestone with pride and excitement, surrounded by family, teachers and friends. It was a truly meaningful way to mark their transition to the MYP!

CELEBRATIONS

EDUBRIDGE SCHOOL ANTHEM

**On the quest for learning, we all march along
With inspired minds, let's sing this song
Citizens of one world, we have gathered here
To shape a tomorrow that's bright and bold**

**At Edubridge we rise, its everlasting flame leaps high
With our teachers by our side
We soar and touch the sky**

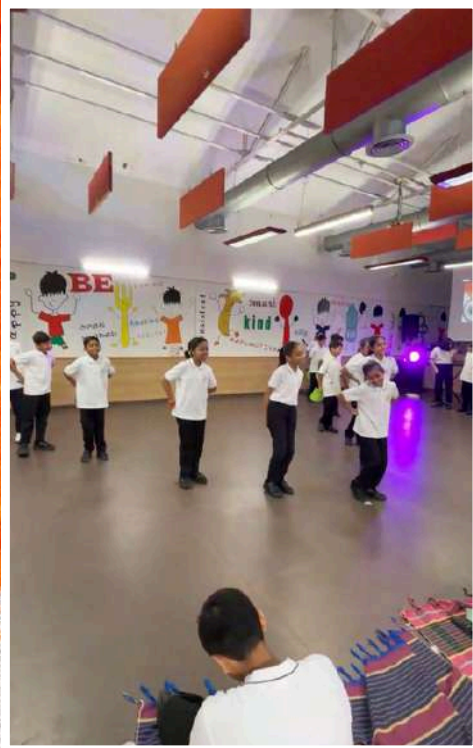

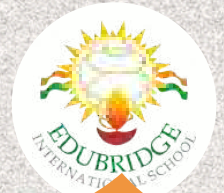

**माझी मुंबई, स्वप्नातली मुंबई, हृदयात माझ्या आहे ईआयएस
Maajhi Mumbai, swapnaatli Mumbai, hrudyaat maajhya aahe EIS**
(My Mumbai, the Mumbai of my dreams, EIS lives in my heart)

**इस भारत देश की मिट्टी में मेहनत और उमंग
Is bharat desh ki mitti mein mehnat aur umang**
(In the soil of this nation, India, with hard work and enthusiasm)

**के साथ राष्ट्र सेवा में उठे कदम
Ke saath rashtra seva mein uthe kadam**
(We take steps forward in the service of the country)

**At Edubridge we rise, its everlasting flame leaps high
With our teachers by our side
We soar and touch the sky**

Independence Day

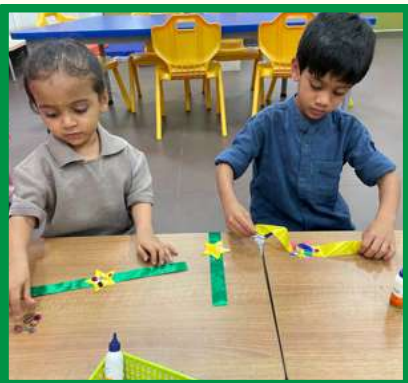

Fixed.

The Independence Day celebration was a heartfelt tribute to our nation's spirit. From the flag hoisting by the SLT team to patriotic performances, the day brimmed with national pride! The celebration concluded with the STUCO Investiture Ceremony, where our new Student Council members were proudly inaugurated.

EDUBRIDGE FIESTA

On Friday, 6th February, Edubridge hosted our annual school Fiesta. The fiesta consisted of beautifully designed stalls, shopping and delicious food. Every class had their own stall, allowing the class parents and students to raise money and to gain experience in running a stall. The Edubridge Fiesta was an entertaining and joyful occasion which brought the entire school community together in a fun-filled extravaganza!

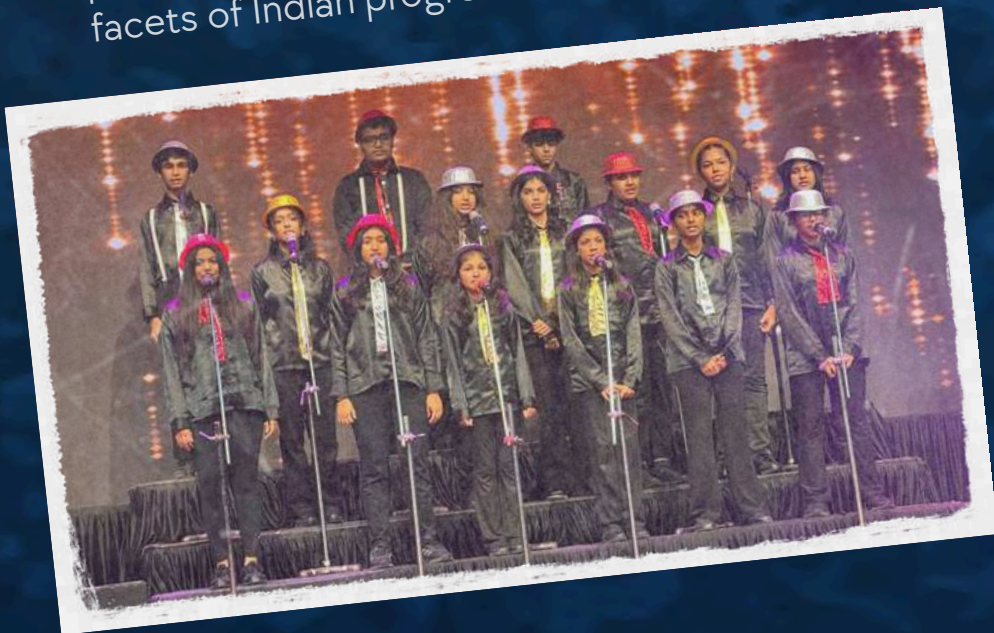

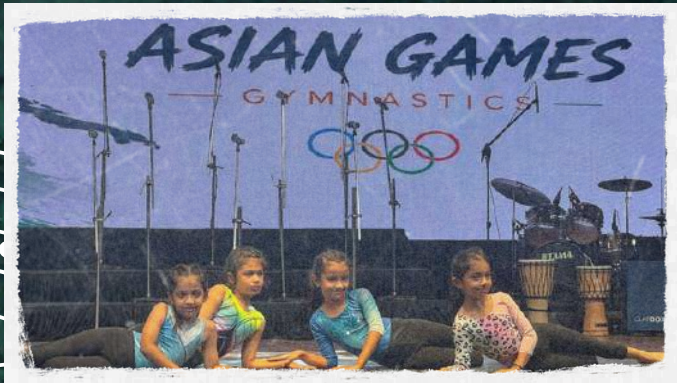

Annual Day

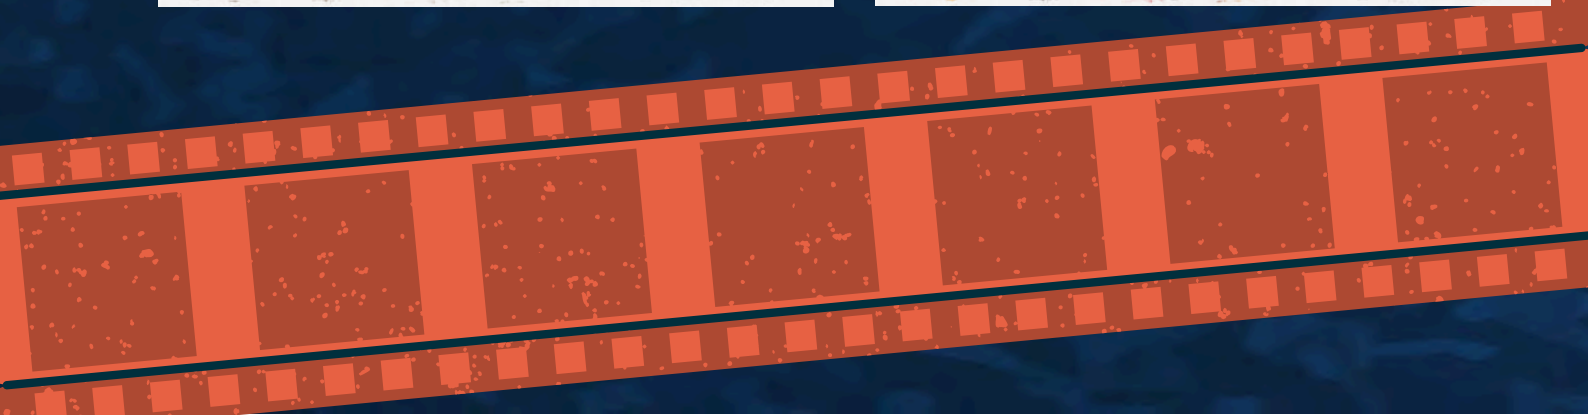

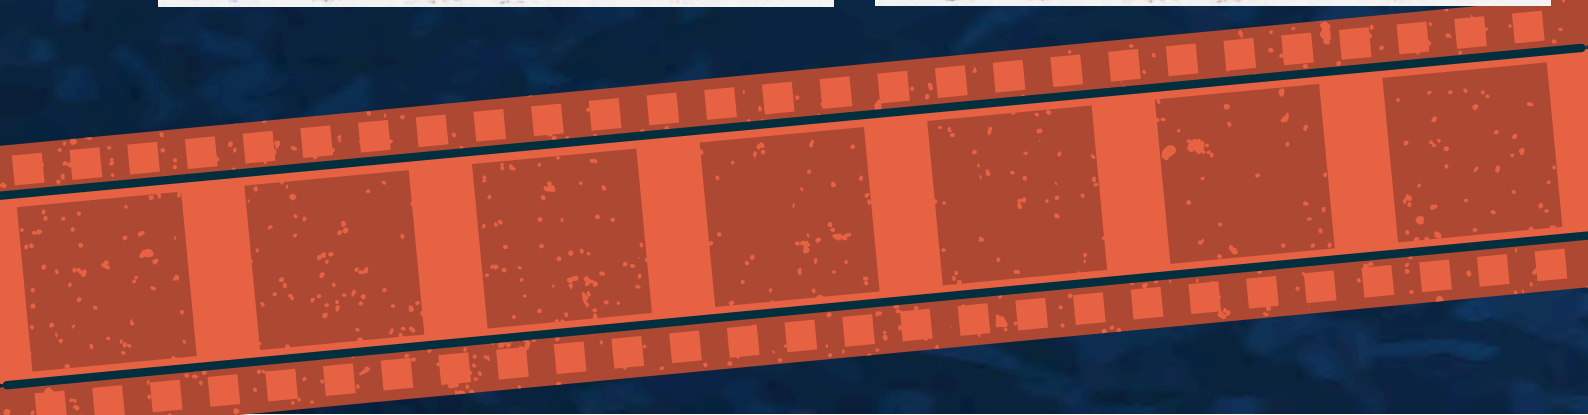

This year's Annual Day production centered around the theme of change, evolution, and staying true to cultural roots. Through performances by the elementary, primary, and secondary students, EIS presented the journey of our country from Independence to the present day. Our production, *India – एक देश, कई कहानियाँ: Through the Decades*, explored the many eras of change and transformation India has undergone as a country. From the struggle for independence in the 1940s to the rapid changes of the modern era, India has remained rooted in plurality, secularism, and tradition. The students' music, theatre, and dance performances showcased these different facets of Indian progress and transformation.

The EIS Inter-House Dance Competition was a dynamic and colourful celebration of talent, creativity, and expression, bringing together students ranging from Sr. Kg to MYP3! Judged by skilled professional dancers, the competition proved to be a a dynamic showcase of talent. Vesuvius emerged as the winner, securing first place, followed by Mojave in second place, and Yangtze and Agumbe in third and fourth. Well danced!

Inter-House Dance Competition

Nestled along the southwestern coast of India, Goa offered EIS students an unforgettable camping expedition filled with adventure, nature, and discovery. Students trekked through forests to the Ponda campsite, where they pitched tents and participated in activities such as irrigation and tree plantation, developing both survival skills and a deeper appreciation for the environment. The journey continued at an eco-friendly resort in the heart of the jungle, where students experienced bird watching, survival cooking, and an exciting sea cave trip. Throughout the camp, students also explored camera trapping, pug mark casting, dam construction observation, village visits, and a thrilling night safari!

INTERNATIONAL AWARD FOR YOUNG PEOPLE

This year, 23 students enrolled in the Bronze level and 16 students in the Silver level of the International Award for Young People (The Duke of Edinburgh's International Award).

Students participated in activities across Physical Recreation, Skills, Service, and Adventurous Journey. Their activities included Bharatanatyam, pickleball, basketball, MUN, piano, and fundraising for NGOs. During their adventurous journey, students learned tent pitching, outdoor cooking, bird watching, and hiking. These experiences helped students develop resilience, teamwork, leadership, and a stronger commitment to community service while working toward completing the award requirements.

SPORTS

SPORTS DAY EYP

Sports Day began with excitement and pride as parents, teachers, and our little learners gathered on the field. The event opened with a cheerful Walk Past, followed by the flag hoisting ceremony led by Dr. Arnaz Ranji Charna. The oath-taking ceremony added to the enthusiasm, setting a positive tone for the day and reminding everyone of the spirit of teamwork and sportsmanship. With balance, coordination, and happy rhythms, the children filled the field with energy, laughter and athleticism!

SPORTS DAY PYP, MYP & DP

Sports Day featured several feats of skill and strength, such as the 100m, 200m, and 400m races, long jump, and the medicine ball throw. With the sun blazing, wind in their faces, and a green and vibrant sports field, the EIS students gave it their all! At the end of an exciting day when the points were tallied, House Vesuvius was declared the winner of Sports Day 2026, followed by Houses Yangtze, Mojave, and Agumbe.

EIS CHAMPIONS FEST

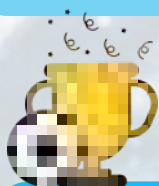

This year, Edubridge hosted the Annual Champions Fest for football and basketball with participation from over 14 international schools. The event was a day filled with learning, passion for sports, and healthy competition on our home turf! EIS's basketball teams secured both the winner's and runners-up positions, showing true skill, teamwork, and sportsmanship.

SPORTS WINS AND ACCOMPLISHMENTS

This year, Edubridge completed in a wide variety of inter-school competitions. The students received many laurels in a wide variety of sports, demonstrating the fruits of their training, prowess and talents. It has indeed been a momentous year for all the athletes and the Sports Department. Here is a snapshot of their achievements:

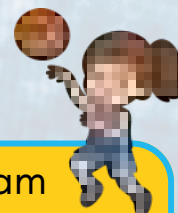

November 2025

The EIS Under-12 Boys team and the EIS Under-10 Girls team were the Champions of the JBCN Football Tournament! Meanwhile, the Under-12 Girls team finished strong as the runners-up.

The U-12 Girls Basketball Team displayed incredible teamwork, skill, and determination to secure 2nd place in the Mount Litera School International Basketball Tournament. Well played!

At a tournament held in Singapore International School, the EIS team secured the 2nd runners-up position in the ISSO Under-11 Girls category in football!

At the ISSO Under-11 basketball tournament hosted by SIS, the EIS boys' team delivered an impressive performance and finished as runners-up. Rajveer Jain was awarded MVP for his outstanding performance on the court. The EIS Under-11 girls' team also played with determination and teamwork, securing 2nd runners-up.

In another football victory, the EIS Grade 6-7 girls' team and the Grade 8-9 team both delivered outstanding performances at the DSB tournament, finishing as runners-up in their respective categories.

December 2025

The EIS girls' football teams showcased exceptional talent and determination at the South Mumbai Junior Soccer Championship. The Girls U-16, U-14, and U-10 teams all delivered outstanding performances, proudly securing second place in their respective categories.

U-17 Basketball Team delivered an impressive performance, securing the runner-up position at the Hiranandani School Tournament. A special shout-out to Hridaan Jain of DPI for winning Best Shooter of the Tournament!

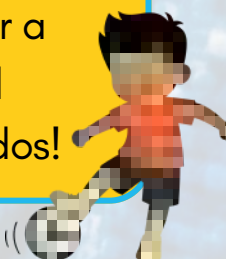

At the EIS Champions Fest basketball tournament, the Grade 2-3 boys' and girls' team played with great enthusiasm and secured the runners-up position. Meanwhile, the Grade 4-5 boys' and girls' teams also delivered an excellent performance, emerging as champions in football!

February 2026

The EIS Under-10 Boys Football Team made history this year by reaching the MSSA Sub-Division finals for the first time, and finishing as runners-up among 64 school teams across Mumbai. The team remained unbeaten for a month in a highly competitive league, and earned promotion to a higher division. Kudos!

March 2026

The Grade 2 and 3 Boys' teams won the Garodia International Centre for Learning Mumbai Football Tournament. The Grades 4 and 5 Boys' team secured the runners-up position, while the Grades 6 and 7 Boys' team finished as second runners-up. The Grades 6 and 7 Girls' teams placed first in their category too!

April 2026

The Grade 2 and 3 mixed category basketball team emerged as champions at the Ecole Energize Tournament, delivering an outstanding performance marked by teamwork and determination.

The U-11 boys team secured an impressive runners-up position at the Oberoi International School Basketball Tournament, with Aadiv Jain winning Best Shooter of the Tournament! Well-played!

Boys

Winners: Om Shah and Neev Ambavat

Runners up: Zenil Shah and Vivaan Purohit

Girls

Winners: Vedika Chinoy and Naiesha Shah

Runners up: Aarika Arora and Arunima Chowdhury

Table Tennis Mixed Doubles (Teachers & Students)

Runners up: Arunima Chowdhury and Mr. Anil Pereira

Winner: Naisha Mody and Mr. Pratik Shome

Table Tennis- Mixed Doubles (Teachers)

Runners up: Mr. Vikas Salunke and Ms. Shagun Sakhrani

Winners: Mr. Mario Fernandes & Ms. Mansi Gandhi

Table Tennis Singles (Teachers)

Ladies

Runner up: Ms. Priti Shah

Winner: Ms. Delnaz Panthaki

Men

Runner up: Mr. Vikas Salunke

Winner: Mr. Anil Pereira

INTER-HOUSE TABLE TENNIS COMPETITION

Edubridge International School hosted its annual table tennis competition, with each house participating in a series of matches! After a series of fiercely fought battles, the winners of the competition emerged: Vesuvius in first place with a total of 36 points, runner-up Mojave with 29 points, followed by Yangtze equipped with 23 and finally Agumbe in fourth place with 21 points.

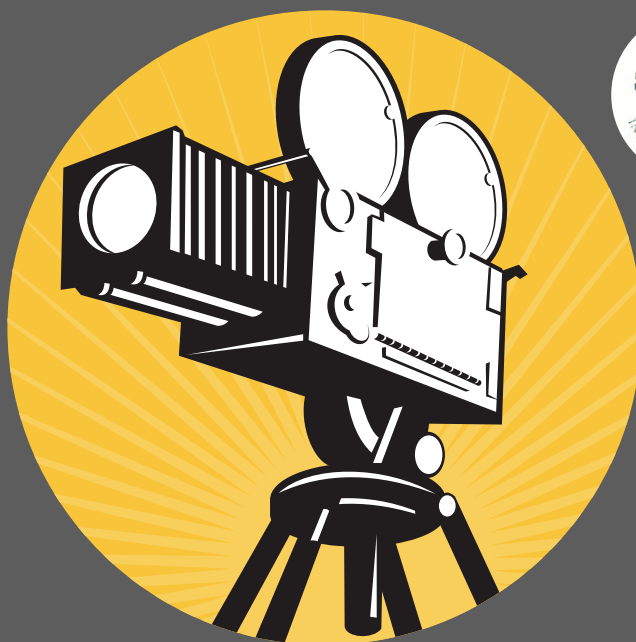

Edubridge Football League

The Edubridge Football League (EFL) kicked off as an exciting initiative bringing together four iconic football nations Brazil, Spain, Argentina, and Portugal-, each represented by their own team with a dedicated captain and head. The league was built on a foundation of passion, teamwork, and competition!

Best Goalkeeper: Divyansh Mehta
Highest Scorers: Vivaan Purohit & Ayan Balwa
Best Player: Hridaan Jain
Champions: Brazil

SERVICE AS ACTION

Service as Action: MYP1

This year, MYP1 Aqua hosted a fundraiser to support the ADAPT foundation to help raise money for people with disabilities. Meanwhile, MYP1 Ignis successfully organised a fundraiser to support the Bal Asha Trust, an organisation that serves abandoned and vulnerable children. From campaigning to managing money and stalls, students independently ran both events with great responsibility.

Service as Action: MYP2

MYP2 Aqua organised a Newspaper Collection Drive and planed a fundraiser to support the NGO Animals Matter To Me. MYP2 Ignis hosted a creative fundraiser for Save Our Strays. Both organisations are dedicated to rescuing and rehabilitating animals in need. Students designed invites, made homemade food, paw-shaped chocolates, bookmarks, and colourful loom bands to help our furry friends!

Service as Action: MYP3

MYP3 Aqua collaborated with Vanashakti, an NGO committed to environmental conservation. After an insightful session by the NGO, students learned about the direct impact of climate change in Mumbai. They organised a school fundraiser to support ongoing efforts to protect the environment. Meanwhile, MYP 3 Ignis organized a fundraising event to support the residents of F.S. Parekh Dharmashala, an old age home in Mumbai. Students also continued to visit the old age home in January to engage in activities and continue building connections with the residents.

MYP4 successfully hosted an E-Games event for MYP1 students on 14th November (Children's Day) to raise funds for ToyBank (The Open Tree Foundation). They also organized a whole-school Game Drive, collecting toys, games, and stationery. Meanwhile, MYP5 took action to support The Welfare of Stray Dogs (WSD). Demonstrating compassion and responsibility, students created donation boxes to be placed around the school, and planned a detailed fundraising strategy, outlining activities and opportunities to encourage contributions.

Service as Action: MYP4 & 5

CREATIVITY ACTIVITY

SERVICE

Creativity, Activity and Service

An integral part of the Diploma Programme, CAS develops creativity, physical well-being, collaboration, and social responsibility beyond academics through the strands of Creativity, Activity, and Service. DP students participate in a variety of meaningful experiences, reflecting on their learning, and complete at least one CAS project led by them.

Hike to the sunset point, Goa school trip

National Association for the Blind, India

Activity, Service

Students of DPI visited the National Association for the Blind in Worli. Exploring Braille proofreading, the Talking Book Studio, and learning about the organisation's inspiring work left a lasting impact.

Creativity, Activity, Service

Fundraisers for NAB and Action Against Hunger

Activity, Service

Motivated to contribute, students organised a series of fundraisers, including gaming stations, Fiesta stalls, and bake sales, raising ₹20,461 to support NAB students. They also extended their efforts globally through a crowdfunding campaign for Action Against Hunger, raising ₹52,051 for nutrition initiatives.

GIVE SUPPORT

Activity, Service

Visit to Anand Niketan, Mahalakshmi

Using the funds raised, students purchased grocery items for the National Association for the Blind and personally donated them, demonstrating empathy, compassion, social responsibility, and a meaningful commitment towards supporting the community.

Visit to Dr. R. N. Cooper Municipal General Hospital

Students visited the hospital to understand the impact of their fundraising efforts on the community. They learned how teams from Action Against Hunger support vulnerable communities by detecting and treating malnutrition in children while empowering mothers and families to prevent it.

Activity, Service

Book collection drive for Sangamitra Sewa Foundation

Activity, Service

Students organised a book collection drive for Sangamitra Sewa Foundation, collecting nearly 500 books for young readers. The initiative reflected strong collaboration and a commitment to promoting literacy and access to resources.

Warli painting at Byramjee Jeejeebhoy Home

This year, continuing their legacy project, students organised a Warli painting workshop on canvas bags and pouches at Byramjee Jeejeebhoy Home, engaging children from the Home in activities that fostered creativity, connection, and meaningful learning.

Creativity, Activity, Service

Village Interaction , tree plantation

Creativity, Activity

This spirit of service deepened during a village visit in Goa, where students connected with the local community, prepared traditional foods like patoli and modak, and learned about rural livelihoods. They also built a small check dam, participated in tree plantation, and created simple drip irrigation systems using recycled materials, gaining valuable insight into sustainability, teamwork, and environmental responsibility.

EIS Butterfly Garden

This year's CAS journey culminated on Earth Day, as students created a butterfly garden on campus, supporting biodiversity and showcasing their commitment to sustainable action. This initiative reflected their growing environmental awareness and sense of responsibility.

Creativity, Activity, Service

WELLBEING

Workshops

The well-being team conducted a series of workshops for new staff members during induction week. These sessions focused on orienting staff to key safeguarding policies and protocols, including the Anti-Bullying Policy, Child Protection and Safeguarding, POSH (Prevention of Sexual Harassment), and awareness regarding illicit substance use.

Our school counsellor conducted a parent workshop for EYP titled Hearts Over Headphones, while esteemed psychiatrist Dr. Avinash Desousa led a session on Parenting in the Digital Era for PYP parents. Both sessions were highly insightful, thoughtfully addressed parents' concerns, and received very positive feedback from the parent community.

Dr. Vibha Krishnamurthy, Founder of Ummeed CDC, led an insightful whole-school session on gender diversity, emphasising the importance of understanding and supporting diverse identities. Building on this, our counsellor conducted a specialised workshop for EYP and PYP teachers to tackle gender stereotypes and foster inclusive, empathetic practices in early education.

Assemblies

Our counsellors conducted engaging assemblies for PYP students focused on two key themes: Intercultural Understanding and Digital Detox. Together, these sessions supported students in developing greater social awareness, emotional sensitivity, and responsible digital habits.

World Mental Health Day

The well-being team planned Mental Health Day for students and staff. The students participated in different activities like 'My Happy Thing', 'Safe Space', guided relaxation, and 'Pick an emotion monster'.

The teachers participated in a series of fun and relaxing activities including karaoke, pebble painting, and board games. The celebrations provided staff members with an opportunity to unwind, connect with colleagues, and engage in creative experiences beyond their daily routines.

Well-being Ambassadors

This year, the school introduced a new student-led initiative called the Well-being Ambassadors Program to promote peer support and student leadership at EIS. Our student ambassadors underwent training sessions by the counsellors on foundational counselling skills to be able to extend mental health support to the student community. The ambassadors actively contributed towards creating resources for the SEL classes and engaged in enriching conversations around well-being among students!

COMMITTEES

The Student Council

The EIS Student Council (STUCO) election process began on July 26th with candidates collecting nominations, followed by speeches and voting. The results were announced on August 15th during the Independence Day celebrations. STUCO has convened weekly meetings, engaging in discussions spanning a spectrum of school-related topics, including student rights, dress codes, and classroom conduct. They also organised events like the Diwali Celebration and Teacher's Day.

PYP 2 Comets – Raddika Ruparel	MYP 4 – Sanah Balwa
PYP 3 Asteroids – Kshiti Dani	MYP 5 – Vanitha Vilvaaranimurugan
PYP 3 Rockets – Priyal Mehta	DP 1 – Rajani Kesari

ACKNOWLEDGEMENTS

Acknowledgements

Our team is proud to present this yearbook as an attempt to commemorate and celebrate the many and varied events and initiatives in this academic year. We would like to acknowledge the support of the Senior Leadership Team for their heartfelt notes and reflections this academic year.

We would also like to thank the teachers and students who captured so many moments in the form of images, particularly the tireless efforts of Ms. Simran Sharma of the social media team and Mr. Ajit Charvat, Mr. Dinesh Kumar and Mr. Vaibhav Phage of the IT department, who have tirelessly documented every event in the EYP, PYP, MYP and DP this year.

Finally, we would like express our gratitude to Ms. Flevy Menezes, Ms. Anuradha Mehra, Ms. Ayantika Ganguly, Ms. Kinjal Jain and Ms. Tracy Waller for helping us gather and consolidate relevant information from the EYP, PYP and DP programmes.

We hope that this yearbook has allowed you to look back and capture all your fondest memories and moments from the past year.

Regards,
Newsletter and Yearbook Team (2025-26)
